

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

November 7, 2017

Ms. Nella Joseph
Public Information Officer
Leander Independent School District
P.O. Box 218
Leander, Texas 78646

OR2017-25444

Dear Ms. Joseph:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 683408 (Internal Ref. No. 2085).

The Leander Independent School District (the "district") received a request for (1) all communications sent to or from certain individuals pertaining to the requestor during a defined time period; (2) communications relating to advocate fees; and (3) certain information pertaining to a specified meeting. You claim the requested information is excepted from disclosure under sections 552.001 through 552.151 of the Government Code. We have considered the exceptions you claim.

We must address the district's obligations under section 552.301 of the Government Code when requesting a decision from this office under the Act. Pursuant to section 552.301(e) of the Government Code, a governmental body is required to submit to this office within fifteen business days of receiving an open records request: (1) written comments stating the reasons why the claimed exceptions apply that would allow the information to be withheld, (2) a copy of the written request for information, (3) a signed statement or sufficient evidence showing the date the governmental body received the written request, and (4) a copy of the specific information requested or representative samples, labeled to indicate which exceptions apply to which parts of the documents. Gov't Code § 552.301(e). You inform us the district received the instant request for information on August 17, 2017. However, as of the date of this letter, you have not submitted written comments stating the reasons why

the claimed exceptions apply, or a copy or representative samples of the specific information requested. Consequently, we find the district failed to comply with the requirements of section 552.301(e) in requesting this decision from our office.

Pursuant to section 552.302 of the Government Code, a governmental body's failure to comply with the procedural requirements of section 552.301 results in the legal presumption that the requested information is public and must be released unless there is a compelling reason to withhold the information from disclosure. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342, 350 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381 (Tex. App.—Austin 1990, no writ). Although the district raises exceptions to disclosure, because you have not submitted the requested information for our review, we have no basis for finding any of the information excepted from disclosure. Thus, we have no choice but to order the requested information released pursuant to section 552.302. If you believe the information may not lawfully be released, you must challenge this ruling in court pursuant to section 552.324 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.texasattorneygeneral.gov/open/orl_ruling_info.shtml, or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839. Cole Hutchison
