

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

November 7, 2017

Ms. Elizabeth Dorsey
Assistant District Attorney
Waller County
645 12th Street
Hempstead, Texas 77445

OR2017-25517

Dear Ms. Dorsey:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 683142.

Waller County (the "county") received a request for information pertaining to a specified incident involving the requestor. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note the requested information includes law enforcement body worn camera videos. Body worn cameras are subject to chapter 1701 of the Occupations Code. Chapter 1701 provides the procedures a requestor must follow when seeking a body worn camera recording. Section 1701.661(a) provides:

A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

- (1) the date and approximate time of the recording;
- (2) the specific location where the recording occurred; and
- (3) the name of one or more persons known to be a subject of the recording.

Occ. Code § 1701.661(a). In this instance, the requestor does not give the requisite information under section 1701.661(a). As the requestor did not properly request the body worn camera videos at issue pursuant to chapter 1701, our ruling does not reach this information and it need not be released.¹ However, pursuant to section 1701.661(b), a “failure to provide all the information required by Subsection (a) to be part of a request for recorded information does not preclude the requestor from making a future request for the same recorded information.” *Id.* § 1701.661(b).

Next, we note some of the remaining information is subject to article 2.1396 of the Code of Criminal Procedure, which provides:

A person stopped or arrested on suspicion of an offense under Section 49.04, 49.045, 49.07, or 49.08, Penal Code, is entitled to receive from a law enforcement agency employing the peace officer who made the stop or arrest a copy of any video made by or at the direction of the officer that contains footage of:

- (1) the stop;
- (2) the arrest;
- (3) the conduct of the person stopped during any interaction with the officer, including during the administration of a field sobriety test; or
- (4) a procedure in which a specimen of the person’s breath or blood is taken.

Act of May 30, 2017, 85th Leg., R.S., H.B. 245, § 4 (to be codified at Crim. Proc. Code art. 2.1396). We note portions of the remaining video recordings were made by or at the direction of a peace officer employed by the county and contain footage of the requestor being stopped or arrested on suspicion of an offense under section 49.04 of the Penal Code. *See* Penal Code § 49.04 (“A person commits an offense if the person is intoxicated while operating a motor vehicle in a public place.”). Therefore, the requestor is entitled to receive copies of these portions of the video recordings pursuant to article 2.1396. Although you seek to withhold these recordings under section 552.108 of the Government Code, a statutory right of access prevails over the Act’s general exceptions to public disclosure. *See* Open Records Decision Nos. 613 at 4 (1993) (exceptions in Act cannot impinge on statutory right of access to information), 451 (1986) (specific statutory right of access provisions overcome general exception to disclosure under the Act). Because section 552.108 is a general exception under the Act, the requestor’s statutory right of access under article 2.1396 prevails. Therefore, the county may not withhold any portion of the submitted video

¹As we are able to make this determination, we need not address the argument against disclosure of this information.

recordings that depict the stop, the arrest, the conduct of the requestor, or a procedure in which a specimen of the requestor's blood or breath is taken under section 552.108 of the Government Code.

Section 552.108(a)(1) of the Government Code excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime if release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov’t Code § 552.108(a)(1). A governmental body claiming section 552.108 must explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the remaining information relates to a pending criminal case. We note the remaining information includes a DIC-24 statutory warning and a DIC-25 notice of suspension forms. The county provided copies of these forms to the arrestee. You have not explained how releasing this information, which has already been seen by the arrestee, would interfere with the detection, investigation, or prosecution of crime. *See* Gov’t Code § 552.108(a)(1). Accordingly, the DIC-24 and DIC-25 forms may not be withheld under section 552.108(a)(1). However, we find the county has demonstrated release of the remaining information would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref’d n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Thus, section 552.108(a)(1) is applicable to the remaining information.

Additionally, section 552.108 does not except from disclosure “basic information about an arrested person, an arrest, or a crime.” Gov’t Code § 552.108(c). Section 552.108(c) refers to the basic information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-187; *see also* Open Records Decision No. 127 (1976) (summarizing types of information considered to be basic information). Accordingly, with the exception of basic information and the DIC-24 and DIC-25 forms, which must be released, the county may withhold the remaining information under section 552.108(a)(1) of the Government Code.

In summary, pursuant to section 1701.661 of the Occupations Code, as the requestor did not properly request the body worn camera videos at issue pursuant to chapter 1701 of the Occupations Code, our ruling does not reach this information, and the county need not release the submitted body camera videos in response to this request for information. The county must release a copy of any portion of the remaining video recordings that depict the stop, the arrest, the conduct of the requestor, or a procedure in which a specimen of the requestor's blood or breath is taken pursuant to article 2.1396 of the Code of Criminal Procedure. With the exception of basic information and the DIC-24 and DIC-25 forms,

which must be released, the county may withhold the remaining information under section 552.108(a)(1) of the Government Code.²

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
