

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

November 8, 2017

Mr. Tad Fowler
Civil Division Chief
Potter County
500 South Fillmore Street, Room 301
Amarillo, Texas 79101

OR2017-25553

Dear Mr. Fowler:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 682989 (Texas.gov ID 66033894 and Gov. Body ID Hart InterCivic).

Potter County (the "county") received a request for proposals submitted in response to a specified request for proposals. The county indicates it has provided some of the requested information to the requestor. The county does not take a position as to whether the submitted information is excepted from disclosure under the Act. However, the county states, and provides documentation showing, it notified Dominion Voting Systems, Inc. ("Dominion") and Election Systems & Software, LLC ("Election Systems") of the county's receipt of the request for information and of their right to submit arguments to this office as to why the requested information should not be released. *See* Gov't Code § 552.305(d); *see also* Open Records Decision No. 542 at 3 (1990) (statutory predecessor to section 552.305 permits governmental body to rely on interested third party to raise and explain applicability of exception in the Act in certain circumstances). You also inform us Dominion does not object to the release of its information. We have received comments from Election Systems objecting to the release of some of the information at issue under sections 552.104 and 552.110 of the Government Code. We have considered the submitted arguments and reviewed the submitted information.

The County Purchasing Act, Local Government Code chapter 262, subchapter C, generally requires counties to make certain purchases using competitive bidding. Section 262.0295 provides an alternative multistep competitive proposal procedure. *See* Local Gov't Code § 262.0295. Section 262.0295(d) reads as follows:

Within 30 days after the date the unpriced proposals are opened under Subsection (c), the county official shall present the priced bids to the commissioners court. The award of the contract shall be made to the responsible offeror whose bid is determined to be the lowest and best evaluated offer resulting from negotiation. All proposals and bids that have been submitted *shall be available and open for public inspection after the contract is awarded.*

Id. § 262.0295(d) (emphasis added). The county represents the submitted proposal pertains to a contract that has been awarded in accordance with section 262.0295. Accordingly, pursuant to section 262.0295(d), the proposal is public and must be made available for inspection. *See id.* Although Election Systems raises sections 552.104 and 552.110 of the Government Code, the exceptions to disclosure found in the Act do not generally apply to information that other statutes make public. *See* Open Records Decision Nos. 623 at 3 (1994), 525 at 3 (1989). Accordingly, the county must release the submitted information pursuant to section 262.0295(d) of the Local Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. Erin Groff
