OR2017-25579

Dear Mr. Kopp:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 684051 (COSA File No. W182391).

The City of San Antonio (the "city") received a request for police reports and calls for service related to a specified address and named individuals. You state you will redact access device numbers pursuant to section 552.136 of the Government Code.<sup>1</sup> You claim some of the submitted information is excepted from disclosure under sections 552.101 and 552.108 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information made confidential by other statutes, such as chapter 772 of the Health and Safety Code, which authorizes the development of local emergency communication districts. Sections 772.118, 772.218,

---

<sup>1</sup>We note section 552.136(c) of the Government Code allows a governmental body to redact the information described in section 552.136(b) without the necessity of seeking a decision from the attorney general. *See* Gov't Code § 552.136(c). If a governmental body redacts such information, it must notify the requestor in accordance with section 552.136(e). *See id.* § 552.136(d), (e).

and 772.318 of the Health and Safety Code are applicable to emergency 9-1-1 districts established in accordance with chapter 772. *See* Open Records Decision No. 649 (1996). These sections make the originating telephone numbers and addresses of 9-1-1 callers furnished by a service supplier confidential. *Id.* at 2. Section 772.118 applies to an emergency communication district for a county with a population of more than 3.3 million. Section 772.218 applies to an emergency communication district for a county with a population of more than 1.5 million. Section 772.318 applies to an emergency communication district for a county with a population of more than 20,000.

We understand the city is part of an emergency communication district established under section 772.218 of the Health and Safety Code. You indicate the information you marked consists of originating telephone numbers of 9-1-1 callers. Provided the information at issue was furnished by a service supplier, we agree the city must withhold the telephone numbers you marked under section 552.101 of the Government Code in conjunction with section 772.218 of the Health and Safety Code.

Section 552.108(a)(2) of the Government Code excepts from disclosure information concerning an investigation that did not result in conviction or deferred adjudication. *See* Gov't Code § 552.108(a)(2). A governmental body claiming section 552.108(a)(2) must demonstrate the requested information relates to a criminal investigation that has concluded in a final result other than a conviction or deferred adjudication. *See id.* § 552.301(e)(1)(A) (governmental body must provide comments explaining why exceptions raised should apply to information requested). You state the information you marked pertains to concluded investigations that did not result in convictions or deferred adjudications. Based on your representation and our review, we agree section 552.108(a)(2) is applicable to the information at issue.

However, section 552.108 does not except from disclosure “basic information about an arrested person, an arrest, or a crime.” *Id.* § 552.108(c). Section 552.108(c) refers to the basic information held to be public in *Houston Chronicle Publishing Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). *See also* Open Records Decision No. 127 (1976) (summarizing types of information considered to be basic information). Accordingly, with the exception of basic information, the city may withhold the information you marked under section 552.108(a)(2) of the Government Code.

In summary, if the information at issue was provided by a service supplier, the city must withhold the telephone numbers you marked under section 552.101 of the Government Code in conjunction with section 772.218 of the Health and Safety Code. With the exception of basic information, which must be released, the city may withhold the information you marked under section 552.108(a)(2) of the Government Code. The city must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
