Dear Mr. Saenz:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 683487.

The McAllen Police Department (the "department") received a request for information pertaining to a specified motor vehicle accident, including any video recordings. You state you released some information to the requestor, including the CR-3 accident report pursuant to section 550.065(c) of the Transportation Code. *See* Transp. Code § 550.065(c). You claim the submitted information is excepted from disclosure under sections 552.101 and 552.130 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's or driver's license or permit, a motor vehicle title or registration, or a personal identification document issued by an agency of Texas or another state or country is excepted from public release. Gov't Code § 552.130(a). Upon review, we find the submitted video recordings contain information subject to section 552.130. You state the department does not have the technological capability to redact the motor vehicle record information from the video recordings at issue. Accordingly, the department must withhold the submitted video recordings in their entireties under section 552.130 of the Government Code. *See* Open Records Decision No. 364 (1983).<sup>1</sup>
