City of Georgetown

OR2017-25829

Dear Ms. DeMeo:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 684142 (PIR# G004425-090517).

The City of Georgetown (the "city") received a request for information pertaining to a specified incident. You state you released some information to the requestor. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note some of the submitted information consists of police officers' body worn camera recordings. Body worn cameras are subject to chapter 1701 of the Occupations Code. Chapter 1701 provides the procedures a requestor must follow when seeking a body worn camera recording. Section 1701.661(a) provides:

A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

- (1) the date and approximate time of the recording;
- (2) the specific location where the recording occurred; and
- (3) the name of one or more persons known to be a subject of the recording.

Occ. Code § 1701.661(a). In this instance, the requestor does not give the requisite information under section 1701.661(a). As the requestor did not properly request the body worn camera recordings at issue pursuant to chapter 1701, our ruling does not reach this information and it need not be released.<sup>1</sup> However, pursuant to section 1701.661(b), a “failure to provide all the information required by Subsection (a) to be part of a request for recorded information does not preclude the requestor from making a future request for the same recorded information.” *Id.* 1701.661(b).

Next, we note some of the remaining information is subject to article 2.1396 of the Code of Criminal Procedure, which provides,

A person stopped or arrested on suspicion of an offense under Section 49.04, 49.045, 49.07, or 49.08, Penal Code, is entitled to receive from a law enforcement agency employing the peace officer who made the stop or arrest a copy of any video made by or at the direction of the officer that contains footage of:

- (1) the stop;
- (2) the arrest;
- (3) the conduct of the person stopped during any interaction with the officer, including during the administration of a field sobriety test; or
- (4) a procedure in which a specimen of the person’s breath or blood is taken.

Act of May 30, 2017,<sup>85<sup>th</sup></sup> Leg., R.S., ch. 324, § 24.001(3), 2017 Tex. Sess. Law. Serv. 841, 959 (Vernon) (to be codified at Crim Proc. Code art 2.1396). The remaining information includes a video recording made by or at the direction of an officer employed by the city’s police department and contains footage of the requestor being stopped or arrested on suspicion of an offense under section 49.04 of the Penal Code. *See* Penal Code § 49.04 (person commits offense if person is intoxicated while operating motor vehicle in public place). Thus, the requestor is entitled to receive a copy of the video recording at issue pursuant to article 2.1396 of the Code of Criminal Procedure. Although you seek to withhold the recording under section 552.108 of the Government Code, a statutory right of access prevails over the Act’s general exceptions to public disclosure. *See* Open Records Decision Nos. 613 at 4 (1993) (exceptions in Act cannot impinge on statutory right of access to information), 451 (1986) (specific statutory right of access provisions overcome general exception to disclosure under the Act). Because section 552.108 is a general exception under the Act, the requestor’s statutory right of access under article 2.1396 prevails. Therefore, the

<sup>1</sup>As we are able to make this determination, we need not address the argument against disclosure of this information.

city may not withhold any portion of the remaining video recording that depicts the stop, the arrest, the conduct of the requestor, or a procedure in which a specimen of the requestor's blood or breath is taken under section 552.108 of the Government Code. As you raise no further exceptions against disclosure of the video recording at issue, the city must release a copy of any portion of the remaining video recording that depicts the stop, the arrest, the conduct of the requestor, or a procedure in which a specimen of the requestor's blood or breath is taken pursuant to article 2.1396 of the Code of Criminal Procedure.

We note the remaining information includes the results of an analysis of a breath specimen. Section 724.018 of the Transportation Code provides that "[o]n request of the person who has given a specimen at the request of a peace officer, full information concerning the analysis of the specimen shall be made available to the person or the person's attorney." Transp. Code § 724.018. Although you seek to withhold this information under section 552.108 of the Government Code, the general exceptions to disclosure found in the Act do not apply to information that other statutes make public. *See* Open Records Decision Nos. 623 at 3 (1994), 525 at 3 (1989). In this instance, the requestor is the person who provided the breath specimen at the request of a peace officer. Therefore, the breath specimen examination results, which we have marked, must be released to the requestor pursuant to section 724.018 of the Transportation Code.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information subject to chapter 550 of the Transportation Code. Section 550.065 applies only to a written report of an accident required under section 550.061, 550.062, or 601.004. Transp. Code § 550.065(a)(1). Chapter 550 requires the creation of a written report when the accident resulted in injury to or the death of a person or damage to the property of any person to the apparent extent of \$1,000 or more. *Id.* §§ 550.061 (operator's accident report), .062 (officer's accident report). An accident report is privileged and for the confidential use of the Texas Department of Transportation or a local governmental agency of Texas that has use for the information for accident prevention purposes. *Id.* § 550.065(b). However, a governmental entity shall release information subject to section 550.065 in accordance with subsections (c) and (c-1). *Id.* § 550.065(c), (c-1)). Section 550.065(c) provides a governmental entity shall release an accident report to a person or entity listed under this subsection. *Id.* § 550.065(c).

Here, the requestor is a person listed under section 550.065(c). Although the city asserts section 552.108 to withhold the information, a statutory right of access prevails over the Act's general exceptions to public disclosure. *See, e.g.*, Open Records Decision Nos. 613 at 4 (1993) (exceptions in Act cannot impinge on statutory right of access to information), 451 (1986) (specific statutory right of access provisions overcome general exception to disclosure under the Act). Because section 552.108 is a general exception under the Act, the requestor's statutory access under section 550.065(c) prevails and the city may not withhold the information under section 552.108 of the Government Code. Thus, the city must release the accident report to the requestor pursuant to section 550.065(c).

Section 552.108(a)(1) of the Government Code excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime if release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov’t Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the remaining information relates to an active and pending criminal investigation. We note, however, the information at issue includes a DIC-24 statutory warning and DIC-25 notice of suspension. The arrestee was provided a copy of these forms. You have not explained releasing this information, which has already been seen by the arrestee, would interfere with the detection, investigation, or prosecution of crime. *See Gov’t Code § 552.108(a)(1)*. Accordingly, the DIC-24 and DIC-25 forms may not be withheld under section 552.108(a)(1). However, based on your representation, we find release of the remaining information at issue would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref’d n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Thus, section 552.108(a)(1) is applicable to the remaining information at issue.

However, section 552.108 does not except from disclosure “basic information about an arrested person, an arrest, or a crime.” Gov’t Code § 552.108(c). Section 552.108(c) refers to the basic information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-88; *see also* Open Records Decision No. 127 (1976) (summarizing types of information considered to be basic information). Accordingly, with the exception of basic information and the DIC-24 and DIC-25 forms, the city may withhold the remaining information under section 552.108(a)(1) of the Government Code.

In summary, as the requestor did not properly request the body worn camera recordings at issue pursuant to chapter 1701 of the Occupations Code, our ruling does not reach this information, and the city need not release it in response to this request for information. The city must release a copy of any portion of the remaining video recording that depicts the stop, the arrest, the conduct of the requestor, or a procedure in which a specimen of the requestor’s blood or breath is taken pursuant to article 2.1396 of the Code of Criminal Procedure. The requestor’s breath specimen examination results, which we have marked, must be released to the requestor pursuant to section 724.018 of the Transportation Code. The city must release the submitted accident report to the requestor pursuant to section 550.065(c) of the Transportation Code. With the exception of basic information and the DIC-24 and DIC-25 forms, which must be released, the city may withhold the remaining information under section 552.108(a)(1) of the Government Code.<sup>2</sup>

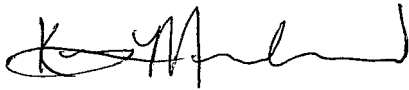

---

<sup>2</sup>We note the information being released contains information to which the requestor has a right of access under section 552.023 of the Government Code. *See Gov’t Code § 552.023*; *see also* Open Records Decision No. 481 at 4 (1987). Accordingly, if the city receives another request for this same information from a different requestor, the city must again seek a ruling from this office.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
