OR2017-25990

Dear Mr. Kopp:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 690546 (ORR# W187981).

The San Antonio Police Department (the "department") received a request for incident number SAPD17220266. The department states it is withholding motor vehicle record information pursuant to section 552.130(c) of the Government Code and access device numbers pursuant to section 552.136(c) of the Government Code.<sup>1</sup> The department claims some of the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception the department claims and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." *Id.* § 552.101. Section 552.101 of the Government Code encompasses chapter 772 of the Health

<sup>1</sup>Section 552.130(c) of the Government Code allows a governmental body to redact the information described in section 552.130(a) without the necessity of seeking a decision from the attorney general. *See Gov't Code* § 552.130(c). If a governmental body redacts such information, it must notify the requestor in accordance with section 552.130(e). *See id.* § 552.130(d), (e). Section 552.136(c) of the Government Code allows a governmental body to redact the information described in section 552.136(b) without the necessity of seeking a decision from the attorney general. *See id.* § 552.136(c). If a governmental body redacts such information, it must notify the requestor in accordance with section 552.136(e). *See id.* § 552.136(d), (e).

and Safety Code, which authorizes the development of local emergency communication districts. Section 772.218 of the Health and Safety Code is applicable to emergency 9-1-1 districts established in accordance with chapter 772. See Open Records Decision No. 649 (1996). This section makes the originating telephone numbers and addresses of 9-1-1 callers furnished by a service supplier confidential. *Id.* at 2. Section 772.218 applies to an emergency communication district for a county with a population of more than 1.5 million. The department states it is part of an emergency communication district established under section 772.218 of the Health and Safety Code. Upon review, we conclude the department must withhold the telephone numbers it marked under section 552.101 of the Government Code in conjunction with section 772.218 of the Health and Safety Code if the numbers consist of the originating telephone numbers furnished by a 9-1-1 service supplier. If the marked information does not consist of the originating telephone numbers provided by a 9-1-1 service supplier, it may not be withheld under section 552.101 in conjunction with section 772.218. The department must release the remaining information.
