OR2017-25995

Dear Ms. Godden:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 684711 (ORR# E000243).

The Edinburg Consolidated Independent School District (the "district"), which you represent, received a request for contract award and bid information relating to three specified projects. You inform us you will rely on Open Records Letter No. 2017-15538A (2017) and withhold or release some of the requested information in accordance with this ruling. *See* Open Records Decision No. 673 (2001) (so long as law, facts, and circumstances on which prior ruling was based have not changed, first type of previous determination exists where requested information is precisely same information as was addressed in prior attorney general ruling, ruling is addressed to same governmental body, and ruling concludes information is or is not excepted from disclosure). You claim the submitted information is excepted from disclosure under section 552.104 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.104(a) of the Government Code excepts from disclosure "information that, if released, would give advantage to a competitor or bidder." Gov't Code § 552.104(a). The "test under section 552.104 is whether knowing another bidder's [or competitor's information] would be an advantage, not whether it would be a decisive advantage." *Boeing Co. v. Paxton*, 466 S.W.3d 831 (Tex. 2015). You state the submitted information relates to bids for certain goods. You explain the district seeks bids for these goods on a recurring

basis. You assert release of the submitted information would provide a competitive advantage to bidders in future bids. After review of the information at issue and consideration of the district's arguments, we find you have established the release of the submitted information would give advantage to a competitor or bidder. Thus, we conclude the district may withhold the submitted information under section 552.104(a) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.texasattorneygeneral.gov/open/orl_ruling_info.shtml, or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Act may be directed to the Office of the Attorney General, toll free, at (888) 672-6787.

Sincerely,

Emily Buchanan
