

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

November 16, 2017

Mr. Justin Pruitt
Assistant City Attorney
City of Lubbock
P.O. Box 2000
Lubbock, Texas 79457

OR2017-26234

Dear Mr. Pruitt:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 690502 (File No. 1742).

The City of Lubbock (the "city") received a request for information pertaining to a specified incident. You claim the submitted information is exempted from disclosure under section 552.108 of the Government Code.¹ We have considered the exception you claim and reviewed the submitted information.

Initially, we note the submitted information includes a police officer's body worn camera recording. Body worn cameras are subject to chapter 1701 of the Occupations Code. Chapter 1701 provides the procedures a requestor must follow when seeking a body worn camera recording. Section 1701.661 provides, in relevant part, the following:

(a) A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

(1) the date and approximate time of the recording;

¹Although you also raise section 552.101 of the Government Code, you have not provided any arguments to support this exception. Therefore, we assume you have withdrawn your claim this section applies to the submitted information. *See* Gov't Code §§ 552.301, .302.

- (2) the specific location where the recording occurred; and
- (3) the name of one or more persons known to be a subject of the recording.

Occ. Code § 1701.661(a). In this instance, the requestor does not provide the requisite information under section 1701.661(a). As the body worn camera recording at issue was not properly requested pursuant to chapter 1701, our ruling does not reach this information and it need not be released. However, pursuant to section 1701.661(b), a “failure to provide all the information required by [s]ubsection (a) to be part of a request for recorded information does not preclude the requestor from making a future request for the same recorded information.” *Id.* § 1701.661(b).

Section 552.101 of the Government Code excepts from disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov’t Code § 552.101. Section 552.101 encompasses information subject to chapter 550 of the Transportation Code. Section 550.065 applies only to a written report of an accident required under section 550.061, 550.062, or 601.004. Transp. Code § 550.065(a)(1). Chapter 550 requires the creation of a written report when the accident resulted in injury to or the death of a person or damage to the property of any person to the apparent extent of \$1,000 or more. *Id.* §§ 550.061 (operator’s accident report), .062 (officer’s accident report). An accident report is privileged and for the confidential use of the Texas Department of Transportation or a local governmental agency of Texas that has use for the information for accident prevention purposes. *Id.* § 550.065(b). However, a governmental entity shall release an accident report in accordance with subsections (c) and (c-1). *Id.* § 550.065(c), (c-1). Section 550.065(c) provides a governmental entity shall release an accident report to a person or entity listed under this subsection. *Id.* § 550.065(c).

In this instance, the requestor is not a person listed under section 550.065(c). Thus, the submitted accident reports are confidential under section 550.065(b), and the city must withhold them under section 552.101 of the Government Code. However, section 550.065(c-1) requires the city to create a redacted accident report that may be requested by any person. *Id.* § 550.065(c-1). The redacted accident report may not include the information listed in subsection (f)(2). *Id.* Therefore, the requestor has a right of access to the redacted accident reports. Thus, the city must release the redacted accident reports to the requestor pursuant to section 550.065(c-1) of the Transportation Code.

Section 552.108(a)(2) of the Government Code excepts from disclosure information concerning an investigation that concluded in a result other than conviction or deferred adjudication. Gov’t Code § 552.108(a)(2). A governmental body claiming section 552.108(a)(2) must demonstrate the requested information relates to a criminal investigation that has concluded in a final result other than a conviction or deferred adjudication. *See id.* § 552.301(e)(1)(A) (governmental body must provide comments explaining why exceptions

raised should apply to information requested). You state the submitted information concerns a concluded investigation that did not result in a conviction or deferred adjudication. Based on this representation, we agree section 552.108(a)(2) is applicable to the remaining information.

However, we note section 552.108 does not except from disclosure basic information about an arrested person, an arrest, or a crime. *Id.* § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle Publishing Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist] 1975), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). *See also* Open Records Decision No. 127 (1976) (summarizing the types of information considered to be basic information). Thus, with the exception of basic information, which must be released, the city may withhold the remaining information under section 552.108(a)(2) of the Government Code.

In summary, as the body worn camera recording at issue was not properly requested pursuant to chapter 1701 of the Occupations Code, our ruling does not reach this information and it need not be released. The submitted accident reports must be withheld under section 552.101 of the Government Code in conjunction with section 550.065(b) of the Transportation Code. The city must release the redacted accident reports to the requestor pursuant to section 550.065(c-1) of the Transportation Code. With the exception of basic information, which must be released, you may withhold the remaining information under section 552.108(a)(2) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
