Ms. Jennifer Burnett  
Attorney & Public Information Coordinator  
Office of General Counsel  
The University of Texas System  
210 West 7th Street  
Austin, Texas 78701-2902

OR2017-26446

Dear Ms. Burnett:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 685094 (OGC# 177152).

The University of Texas Medical Branch at Galveston (the "university") received a request for information pertaining to a specified bid. Although you take no position regarding whether the submitted information is excepted from disclosure, you state its release may implicate the proprietary interests of Oracle Corporation ("Oracle"). Accordingly, you state, and provide documentation showing, you notified Oracle of the request and its right to submit arguments to this office. *See* Gov't Code § 552.305(d); *see also* Open Records Decision No. 542 (1990) (statutory predecessor to section 552.305 permits governmental body to rely on interested third party to raise and explain applicability of exception in the Act in certain circumstances). We have reviewed the submitted information.

An interested third party is allowed ten business days after the date of its receipt of the governmental body's notice to submit its reasons, if any, as to why information relating to that party should not be released. *See* Gov't Code § 552.305(d)(2)(B). As of the date of this ruling, we have not received comments from Oracle. Thus, we have no basis to conclude Oracle has a protected proprietary interest in the submitted information. *See id.* § 552.110(a)-(b); Open Records Decision Nos. 661 at 5-6 (1999) (to prevent disclosure of commercial or financial information, party must show by specific factual evidence, not

conclusory or generalized allegations, that release of requested information would cause that party substantial competitive harm), 552 at 5 (1990) (party must establish *prima facie* case that information is trade secret), 542 at 3. Accordingly, the university may not withhold any of the submitted information on the basis of any proprietary interest Oracle may have in the information. The university must release the submitted information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at [http://www.texasattorneygeneral.gov/open/orl\\_ruling\\_info.shtml](http://www.texasattorneygeneral.gov/open/orl_ruling_info.shtml), or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Act may be directed to the Office of the Attorney General, toll free, at (888) 672-6787.

Sincerely,

Patrick P. Mehaffy  
Attorney
