Dear Mr. Narvaez:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 689536 (ORR# P005468).

The City of McKinney (the "city"), which you represent, received a request for information pertaining to a specified address. The city claims some of the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the claimed exception and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses section 261.201(a) of the Family Code, which provides as follows:

[T]he following information is confidential, is not subject to public release under [the Act], and may be disclosed only for purposes consistent with this code and applicable federal or state law or under rules adopted by an investigating agency:

- (1) a report of alleged or suspected abuse or neglect made under this chapter and the identity of the person making the report; and

(2) except as otherwise provided in this section, the files, reports, records, communications, audiotapes, videotapes, and working papers used or developed in an investigation under this chapter or in providing services as a result of an investigation.

Fam. Code § 261.201(a). The city asserts the information it has marked was used or developed in an investigation by the city's police department (the "department") under chapter 261. *See id.* §§ 101.003(a) (defining "child" for purposes of section 261.201), 261.001(1) (defining "abuse" for purposes of section 261.201). Based on this representation, we find the information is within the scope of section 261.201 of the Family Code. The city represents the department has not adopted a rule that governs the release of this type of information. Therefore, the city must withhold the information it has marked under section 552.101 of the Government Code in conjunction with section 261.201(a) of the Family Code. *See* Open Records Decision No. 440 at 2 (1986) (predecessor statute). The city must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
