Dear Mr. Narvaez:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 686140 (ORR# P005236).

The McKinney Police Department (the "department"), which you represent, received a request for information related to event number 2017-085636. The department indicates it is releasing some of the requested information. The department claims some of the submitted information is excepted from disclosure under section 552.130 of the Government Code. We have considered the exception the department claims and reviewed the submitted information.

Section 552.130 of the Government Code excepts from disclosure information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See Gov't Code § 552.130.* The department asserts, and we agree, the video recording as Exhibit B contains confidential motor vehicle record information that is excepted from disclosure under section 552.130. In this instance, the department states it does not possess the technological capability to redact information from video files. Thus, we agree the department must withhold the entirety of Exhibit B under

section 552.130 of the Government Code. *See* Open Records Decision No. 364 (1983). The department must release the remaining information to this requestor.¹

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. Claire V. Morris Sloan
