Dear Ms. Fernandez:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 684988.

The City of Mesquite (the "city") received a request for three specified call sheets, a specified incident report, and all call for service reports pertaining to a specified address during a specified time period. You state the city will redact information pursuant to Open Records Letter Nos. 2011-15075 (2011), 2011-15761 (2011), 2012-06459 (2012), 2012-01375 (2012), and 2015-24970 (2015).¹ You claim portions of the submitted information are excepted from disclosure under sections 552.101 and 552.130 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

¹Open Records Letter Nos. 2011-15075 and 2011-15761 authorize the city to withhold the originating telephone numbers and addresses, respectively, of 9-1-1 callers furnished to the city by a service supplier established in accordance with chapter 772 of the Health and Safety Code under section 552.101 of the Government Code in conjunction with section 772.118 of the Health and Safety Code without requesting a decision. Open Records Letter No. 2012-06459 authorizes the city to withhold the price of a motor vehicle in a call sheet under section 552.101 of the Government Code in conjunction with common-law privacy without the necessity of requesting a decision under section 552.301 of the Government Code. Open Records Letter No. 2012-01375 is a previous determination issued to the city authorizing the city to withhold information in a call sheet that reveals the existence of a motor vehicle lien under section 552.101 of the Government Code in conjunction with common-law privacy, without requesting a decision from this office. Open Records Letter No. 2015-24970 authorizes the city to withhold the dates of birth of public citizens under section 552.101 of the Government Code in conjunction with common-law privacy without requesting a decision from this office.

Section 552.101 of the Government Code excepts from disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov’t Code § 552.101. Section 552.101 encompasses the doctrine of common-law privacy, which protects information that is (1) highly intimate or embarrassing, the publication of which would be highly objectionable to a reasonable person, and (2) not of legitimate concern to the public. *Indus. Found. v. Tex. Indus. Accident Bd.*, 540 S.W.2d 668, 685 (Tex. 1976). To demonstrate the applicability of common-law privacy, both prongs of this test must be satisfied. *Id.* at 681-82. The types of information considered intimate and embarrassing by the Texas Supreme Court are delineated in *Industrial Foundation*. *Id.* at 683. Additionally, this office has concluded some kinds of medical information are generally highly intimate or embarrassing. *See* Open Records Decision No. 455 (1987). Upon review, we find the information you have marked satisfies the standard articulated by the Texas Supreme Court in *Industrial Foundation*. Accordingly, the city must withhold the information it has marked under section 552.101 of the Government Code in conjunction with common-law privacy.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator’s license, driver’s license, motor vehicle title or registration, or a personal identification document issued by an agency of this state or another state or country is excepted from public release. Gov’t Code § 552.130. Upon review, we find the city must withhold the motor vehicle record information it has marked under section 552.130 of the Government Code.

In summary, the city must withhold the information it has marked under section 552.101 of the Government Code in conjunction with common-law privacy. The city must withhold the information it has marked under section 552.130 of the Government Code. The city must release the remaining information.²
