ATTORNEY GENERAL OF TEXAS

November 27, 2017

Mr. Tyler Vance
General Counsel
State Board of Dental Examiners
333 Guadalupe, Tower 3, Suite 800
Austin, Texas 78701-3942

OR2017-26853

Dear Mr. Vance:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 685467.

The Texas State Board of Dental Examiners (the "board") received a request for the home addresses of all licensed dentists.¹ You claim the requested information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim.

We must address the board's obligations under the Act. Section 552.301 of the Government Code prescribes the procedures that a governmental body must follow in asking this office to decide whether requested information is excepted from public disclosure. *See Gov't Code* § 552.301. Pursuant to section 552.301(e), a governmental body is required to submit to this office within fifteen business days of receiving an open records request (1) written comments stating the reasons why the claimed exceptions apply that would allow the information to be withheld, (2) a copy of the written request for information, (3) a signed statement or sufficient evidence showing the date the governmental body received the written request, and (4) a copy of the specific information requested or representative samples, labeled to indicate which exceptions apply to which parts of the documents. *Id.* § 552.301(e). The board states

¹As you have not submitted a copy of the request for information, we take our description from your brief.

it received the request for information on September 7, 2017. As of this date, you have not submitted to this office a copy of the written request for information or a copy or representative sample of the information requested. Accordingly, we conclude the board failed to comply with the requirements of section 552.301.

Pursuant to section 552.302 of the Government Code, a governmental body's failure to comply with the procedural requirements of section 552.301 results in the legal presumption that the requested information is public and must be released unless there is a compelling reason to withhold the information from disclosure. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342, 350 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381 (Tex. App.—Austin 1990, no writ). Although the board raises an exception to disclosure, because you have not submitted the requested information for our review, we have no basis for finding any of the information excepted from disclosure. Thus, we have no choice but to order the requested information released pursuant to section 552.302. If you believe the information may not lawfully be released, you must challenge this ruling in court pursuant to section 552.324 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
