

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

November 28, 2017

Ms. Kristina Vega
City Secretary
City of Gonzales
P.O. Box 547
Gonzales, Texas 78629

OR2017-26946

Dear Ms. Vega:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 685820.

The City of Gonzales (the "city") received a request for the video recording and blood test results pertaining to a specified traffic stop involving the requestor. The city states it has no information responsive to a portion of the request.¹ The city claims the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the claimed exception and reviewed the submitted information.

Article 2.1396 of the Code of Criminal Procedure provides:

A person stopped or arrested on suspicion of an offense under Section 49.04, 49.045, 49.07, or 49.08, Penal Code, is entitled to receive from a law enforcement agency employing the peace officer who made the stop or arrest a copy of any video made by or at the direction of the officer that contains footage of:

¹The Act does not require a governmental body that receives a request for information to create information that did not exist when the request was received. *See Econ. Opportunities Dev. Corp. v. Bustamante*, 562 S.W.2d 266 (Tex. Civ. App.—San Antonio 1978, writ dismissed); Open Records Decision Nos. 605 at 2 (1992), 563 at 8 (1990), 555 at 1-2 (1990), 452 at 3 (1986), 362 at 2 (1983).

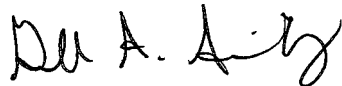

- (1) the stop;
- (2) the arrest;
- (3) the conduct of the person stopped during any interaction with the officer, including during the administration of a field sobriety test; or
- (4) a procedure in which a specimen of the person's breath or blood is taken.

Crim. Proc. Code art. 2.1396. The submitted information consists of video recordings that were made by or at the direction of an officer employed by the city's police department and contains footage of the requestor being stopped or arrested on suspicion of an offense under section 49.04 of the Penal Code. *See* Penal Code § 49.04 ("A person commits an offense if the person is intoxicated while operating a motor vehicle in a public place."). Although the city asserts section 552.108 to withhold this information, a statutory right of access prevails over the Act's general exceptions to public disclosure. *See, e.g.*, Open Records Decision Nos. 613 at 4 (1993), 451 (1986). Because section 552.108 is a general exception under the Act, the requestor's statutory access under article 2.1396 prevails. Therefore, the city may not withhold the submitted video recordings under section 552.108 of the Government Code. Thus, the requestor is entitled to receive a copy of the submitted video recordings pursuant to article 2.1396 of the Code of Criminal Procedure, and the city must release it to this requestor.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
