ATTORNEY GENERAL OF TEXAS

November 30, 2017

Ms. Tiffany N. Evans
Assistant City Attorney
City of Houston
P.O. Box 368
Houston, Texas 77001-0368

OR2017-27250

Dear Ms. Evans:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 686127 (GC No. 24393).

The City of Houston (the "city") received a request for information pertaining to a specified civil case, including specified transcripts and information pertaining to expert testimony. You state the city will withhold motor vehicle record information pursuant to section 552.130(c) of the Government Code.¹ You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code.² We have considered the exception you claim and reviewed the submitted representative sample of information.

¹Section 552.130(c) of the Government Code allows a governmental body to redact the information described in section 552.130(a) without the necessity of seeking a decision from the attorney general. *See* Gov't Code § 552.130(c). If a governmental body redacts such information, it must notify the requestor in accordance with section 552.130(e). *See id.* § 552.130(d), (e).

²We note, and you acknowledge, the city did not comply with section 552.301 of the Government Code in requesting a ruling from this office. *See* Gov't Code § 552.301(b), (e). Nonetheless, because section 552.101 of the Government Code can provide a compelling reason to overcome the presumption of openness, we will consider its applicability to the submitted information. *See id.* §§ 552.007, .302, .352.

Initially, we note you have not submitted information responsive to the portions of the request for specified transcripts and information pertaining to expert testimony. Although you state the city has submitted a representative sample of the requested information, we find the submitted information is not representative of all the types of information to which the requestor seeks access. Please be advised, this open records letter ruling applies only to the types of information you have submitted for our review. This ruling does not authorize the city to withhold any information that is substantially different from the types of information you submitted to this office. *See* Gov't Code § 552.302 (where request for attorney general decision does not comply with requirements of Gov't Code § 552.301, information at issue is presumed to be public). Accordingly, to the extent any such information existed on the date the city received the request, we assume the city has released it. If the city has not released any such information, it must do so at this time. *See* Gov't Code §§ 552.301(a), .302; *see also* Open Records Decision No. 664 (2000) (if governmental body concludes no exceptions apply to requested information, it must release information as soon as possible).

Section 552.101 of the Government Code excepts from disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov't Code § 552.101. Section 552.101 encompasses section 58.008 of the Family Code, which provides, in part:

(b) Except as provided by Subsection (d), law enforcement records concerning a child and information concerning a child that are stored by electronic means or otherwise and from which a record could be generated may not be disclosed to the public and shall be:

- (1) if maintained on paper or microfilm, kept separate from adult records;
- (2) if maintained electronically in the same computer system as adult records, accessible only under controls that are separate and distinct from the controls to access electronic data concerning adults; and
- (3) maintained on a local basis only and not sent to a central state or federal depository, except as provided by Subsection (c) or Subchapter B, D, or E.

Fam. Code § 58.008(b); *see also id.* § 51.03(a), (b) (defining “delinquent conduct” and “conduct indicating a need for supervision” for purposes of title 3 of Family Code). Section 58.008(b) is applicable to records of juvenile conduct that occurred before, on, or after September 1, 2017. *See* Act of May 28, 2017, 85th Leg., R.S., S.B. 1304, § 22. The juvenile must have been at least 10 years old and less than 17 years of age when the conduct occurred. *See* Fam. Code § 51.02(2) (defining “child” for purposes of title 3 of Family Code). We find the submitted information involves a juvenile offender, so as to fall within

the scope of section 58.008(b). It does not appear that any of the exceptions in section 58.008 apply; therefore, the city must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 58.008(b) of the Family Code.³

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
