Mr. James Kopp  
Assistant City Attorney  
Office of the City Attorney  
City of San Antonio  
P.O. Box 839966

OR2017-27417

Dear Mr. Kopp:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 688007 (COSA File Nos. W185617, W187036).

The City of San Antonio (the "city") received two requests from the same requestor for eight categories of information related to a specified accident. You state you will redact information pursuant to sections 552.130, 552.136, and 552.147 of the Government Code and dates of birth pursuant to Open Records Letter No. 2016-08566 (2016).<sup>1</sup> You claim the

<sup>1</sup>We note section 552.130(c) of the Government Code allows a governmental body to redact the information described in section 552.130(a) without the necessity of seeking a decision from the attorney general. *See* Gov't Code § 552.130(c). If a governmental body redacts such information, it must notify the requestor in accordance with section 552.130(e). *See id.* § 552.130(d), (e). Section 552.136(c) of the Government Code allows a governmental body to redact the information described in section 552.136(b) without the necessity of seeking a decision from the attorney general. *See id.* § 552.136(c). If a governmental body redacts such information, it must notify the requestor in accordance with section 552.136(e). *See id.* § 552.136(d), (e). Section 552.147(b) of the Government Code authorizes a governmental body to redact a living person's social security number from public release without the necessity of requesting a decision from this office. *See id.* § 552.147(b). Open Records Letter No. 2016-08566 is a previous determination authorizing the city to withhold the dates of birth of living individuals under section 552.101 of the Government Code in conjunction with common-law privacy without requesting a decision from this office. *See id.* § 552.301(a); Open Records Decision No. 673 (2001) (listing elements of second type of previous determination under section 552.301(a) of the Government Code).

submitted body worn camera recording was not properly requested pursuant to section 1701.661 of the Occupations Code. You also claim some the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered your arguments and reviewed the submitted representative sample of information.<sup>2</sup>

Initially, we agree some of the submitted information consists of a police officer's body worn camera recording. Body worn cameras are subject to chapter 1701 of the Occupations Code. Chapter 1701 provides the procedures a requestor must follow when seeking a body worn camera recording. Section 1701.661 provides, in relevant part, the following:

(a) A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

- (1) the date and approximate time of the recording;
- (2) the specific location where the recording occurred; and
- (3) the name of one or more persons known to be a subject of the recording.

Occ. Code § 1701.661(a). In this instance, the requestor does not give the requisite information under section 1701.661(a). As the requestor did not properly request the body worn camera recording at issue pursuant to chapter 1701, our ruling does not reach this information and it need not be released. However, pursuant to section 1701.661(b), a "failure to provide all the information required by Subsection (a) to be part of a request for recorded information does not preclude the requestor from making a future request for the same recorded information." *Id.* § 1701.661(b).

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses section 772.218 of the Health and Safety Code. Chapter 772 of the Health and Safety Code authorizes the development of local emergency communication districts. Sections 772.218 is applicable to an emergency 9-1-1 districts established in accordance with chapter 772. *See* Open Records Decision No. 649 (1996). This section makes the originating telephone numbers and addresses of 9-1-1 callers that are furnished by a service supplier confidential. *Id.* at 2. Section 772.218 applies to an emergency communication district for a county with a population of more than 1.5 million.

<sup>2</sup>We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

You indicate some of the information at issue consists of the originating telephone number of a 9-1-1 caller. You inform us the city is part of an emergency communication district established under section 772.218 of the Health and Safety Code. Thus, to the extent the telephone number of the 9-1-1 caller was supplied by a 9-1-1 service supplier, the city must withhold the information you marked under section 552.101 of the Government Code in conjunction with section 772.218 of the Health and Safety Code. However, if the information at issue was not supplied by a 9-1-1 service supplier, then the city may not withhold this information under section 552.101 in conjunction with section 772.218 of the Health and Safety Code.

In summary, as the requestor did not properly request the body worn camera recording at issue pursuant to chapter 1701, our ruling does not reach this information and it need not be released. To the extent the telephone number of the 9-1-1 caller was supplied by a 9-1-1 service supplier, the city must withhold the information you marked under section 552.101 of the Government Code in conjunction with section 772.218 of the Health and Safety Code. The city must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
