

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

December 5, 2017

Mr. Sam Elsass
Legal Assistant
Texas Department of Public Safety
P.O. Box 4087
Austin, Texas 78773-0001

OR2017-27521

Dear Mr. Elsass:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 686212 (Ref. No. 17-6853).

The Texas Department of Public Safety (the "department") received a request for the bid tabulation for a specified bid number, as well as information pertaining to the awarded contract. You claim the submitted information is excepted from disclosure under section 552.104 of the Government Code. You also state release of the submitted information may implicate the proprietary interests of Climate Solutions Texas ("Climate"). Accordingly, you state, and provide documentation showing, you notified Climate of the request for information and of its right to submit arguments to this office as to why the submitted information should not be released. *See* Gov't Code § 552.305(d); *see also* Open Records Decision No. 542 (1990) (statutory predecessor to section 552.305 permits governmental body to rely on interested third party to raise and explain applicability of exception in the Act in certain circumstances). We have considered the exception you claim and reviewed the submitted information.

Initially, we note the department has only submitted the requested bid tabulation. To the extent information responsive to the remainder of the request existed on the date the department received the request, we assume you have released it. *See* Open Records Decision No. 664 (2000) (if governmental body concludes no exceptions apply to requested

information, it must release information as soon as possible). If you have not released any such information, you must do so at this time. *See* Gov't Code §§ 552.301(a), .302.

Section 552.104(a) of the Government Code excepts from disclosure “information that, if released, would give advantage to a competitor or bidder.” Gov't Code § 552.104(a). The “test under section 552.104 is whether knowing another bidder's [or competitor's information] would be an advantage, not whether it would be a decisive advantage.” *Boeing Co. v. Paxton*, 466 S.W.3d 831 (Tex. 2015). You represent the information pertains to a competitive bidding situation. In addition, you state release of the information at issue would harm the department's purchasing interests and weaken its bargaining position as it deliberates options and negotiates best value now and in the future because it would allow competing vendors to know the prices offered, which you contend “could artificially inflate prices and prevent the [d]epartment from getting best value[.]” After review of the information at issue and consideration of the arguments, we find the department has established the release of the information at issue would give advantage to a competitor or bidder. Thus, we conclude the department may withhold the submitted information under section 552.104(a) of the Government Code.

Finally, you request that this office issue a “previous determination” that would permit the department in the future to withhold bid tabulations under section 552.104 of the Government Code without the need of requesting a ruling from us about whether such information can be withheld from disclosure. We decline to issue such a previous determination at this time. Accordingly, this letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.texasattorneygeneral.gov/open/orl_ruling_info.shtml, or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Act may be directed to the Office of the Attorney General, toll free, at (888) 672-6787.

Sincerely,

Meredith L. Coffman
Assistant Attorney General
