

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

December 5, 2017

Ms. Charla Thomas
Deputy City Attorney
City of Temple
2 North Main Street, Suite 308
Temple, Texas 76501

OR2017-27530

Dear Ms. Thomas:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 686510.

The City of Temple (the "city") received a request for video recordings related to a specified automotive accident. You claim the submitted information was not properly requested pursuant to section 1701.661 of the Occupations Code. You further claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered your arguments and reviewed the submitted information.

Initially, we note the submitted information includes city police officers' body worn camera recordings. Body worn cameras are subject to chapter 1701 of the Occupations Code. Chapter 1701 provides the procedures a requestor must follow when seeking a body worn camera recording. Section 1701.661 provides, in relevant part, the following:

(a) A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

- (1) the date and approximate time of the recording;
- (2) the specific location where the recording occurred; and

(3) the name of one or more persons known to be a subject of the recording.

Occ. Code § 1701.661(a). In this instance, the requestor does not provide the requisite information under section 1701.661(a). As the body worn camera recordings at issue were not properly requested pursuant to chapter 1701 of the Occupations Code, our ruling does not reach this information and it need not be released.¹ However, pursuant to section 1701.661(b), a “failure to provide all the information required by [s]ubsection (a) to be part of a request for recorded information does not preclude the requestor from making a future request for the same recorded information.” *Id.* § 1701.661(b). We note the remaining information consists of dashboard camera recordings from city police department vehicles. We find this information does not consist of a body worn camera recording. Therefore, the remaining information is not subject to section 1701.661 of the Occupations Code and the city may not withhold any portion of the remaining video recordings under section 552.101 of the Government Code on that basis.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator’s license, driver’s license, motor vehicle title or registration, or a personal identification document issued by an agency of this state or another state or country is excepted from public release.² Gov’t Code § 552.130. Upon review, we find the submitted dashboard camera recordings contain information subject to section 552.130. Accordingly, the city must withhold the submitted discernible license plates in the dashboard camera recordings under section 552.130 of the Government Code.

In summary, as the body worn camera recordings at issue were not properly requested pursuant to chapter 1701 of the Occupations Code, our ruling does not reach this information and it need not be released. The city must withhold the discernible license plates in the submitted dashboard camera recordings under section 552.130 of the Government Code. The city must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <http://www.texasattorneygeneral.gov/open/>

¹As our ruling on this information is dispositive, we do not address your remaining argument against its disclosure.

²The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body but ordinarily will not raise other exceptions. *See* Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).
