Dear Ms. Harris:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 687235.

The Paris Police Department (the "department") received a request for information pertaining to a specified incident. You state the department will release some information with redactions made pursuant to section 552.130(c) of the Government Code.¹ You claim the remaining requested information is excepted from disclosure under section 552.130 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See* Gov't Code § 552.130. Upon review, we find the submitted video recordings contain confidential motor vehicle record information. In this instance, you state the department does not possess the technological capability to redact

¹Section 552.130(c) of the Government Code allows a governmental body to redact the information described in subsection 552.130(a) without the necessity of seeking a decision from the attorney general. *See* Gov't Code § 552.130(c). If a governmental body redacts such information, it must notify the requestor in accordance with section 552.130(e). *See id.* § 552.130(d), (e).

information from video files. Thus, we agree the department must withhold the entirety of the submitted video recordings under section 552.130 of the Government Code. *See* Open Records Decision No. 364 (1983).
