

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

December 5, 2017

Ms. Agatha Wade
Assistant Criminal District Attorney
Bexar County
101 West Nueva Street, 7th Floor
San Antonio, Texas 78205

OR2017-27586

Dear Ms. Wade:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 687794 (ORR# 17434).

The Bexar County Sheriff's Office (the "sheriff's office") received a request for information pertaining to a specified incident. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision."¹ Gov't Code § 552.101. This section encompasses information protected by section 261.201 of the Family Code, which provides, in relevant part, as follows:

- (a) [T]he following information is confidential, is not subject to public release under Chapter 552, Government Code, and may be disclosed only for purposes consistent with this code and applicable federal or state law or under rules adopted by an investigating agency:

¹The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body, but ordinarily will not raise other exceptions. See Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

(1) a report of alleged or suspected abuse or neglect made under this chapter and the identity of the person making the report; and

(2) except as otherwise provided in this section, the files, reports, records, communications, audiotapes, videotapes, and working papers used or developed in an investigation under this chapter or in providing services as a result of an investigation.

...

(k) Notwithstanding Subsection (a), an investigating agency, other than the [Texas Department of Family and Protective Services] or the Texas Juvenile Justice Department, on request, shall provide to the parent, managing conservator, or other legal representative of a child who is the subject of reported abuse or neglect, or to the child if the child is at least 18 years of age, information concerning the reported abuse or neglect that would otherwise be confidential under this section. The investigating agency shall withhold information under this subsection if the parent, managing conservator, or other legal representative of the child requesting the information is alleged to have committed the abuse or neglect.

Fam. Code § 261.201(a), (k). The submitted information was used or developed in an investigation of alleged or suspected child abuse or neglect by the sheriff's office. *See id.* §§ 101.003(a) (defining "child" for purposes of this section as person under 18 years of age who is not and has not been married or who has not had the disabilities of minority removed for general purposes), 261.001(1), (4) (defining "abuse" and "neglect" for purposes of chapter 261 of the Family Code). Accordingly, we find this information is subject to chapter 261 of the Family Code. Although the requestor may be a parent of one of the child victims, we note the requestor is alleged to have committed the suspected abuse or neglect at issue. Thus, the requestor does not have a right of access to the information at issue under section 261.201(k). *See id.* § 261.201(k). Therefore, the sheriff's office must generally withhold the submitted information under section 552.101 of the Government Code in conjunction with section 261.201 of the Family Code. *See* Open Records Decision No. 440 at 2 (1986) (predecessor statute).

We note the submitted information includes a CR-3 accident report. Section 552.101 of the Government Code also encompasses information subject to chapter 550 of the Transportation Code. Section 550.065 applies only to a written report of an accident required under section 550.061, 550.062, or 601.004. Transp. Code § 550.065(a)(1). Chapter 550 requires the creation of a written report when the accident resulted in injury to or the death of a person or damage to the property of any person to the apparent extent of \$1,000 or more. Transp. Code §§ 550.061 (operator's accident report), .062 (officer's accident report). An accident

report is privileged and for the confidential use of the Texas Department of Transportation or a local governmental agency of Texas that has use for the information for accident prevention purposes. *Id.* § 550.065(b). However, a governmental entity shall release an accident report in accordance with subsections (c) and (c-1). *Id.* § 550.065(c), (c-1). Section 550.065(c) provides a governmental entity shall release an accident report to a person or entity listed under this subsection. *Id.* § 550.065(c).

Here, requestor is a person listed under section 550.065(c). Thus, the requestor has a right of access to the accident report pursuant to section 550.065(c). Therefore, we must address the conflict between the confidentiality provided under section 261.201 of the Family Code and the right of access provided under section 550.065(c) of the Transportation Code. Where general and specific statutes are in irreconcilable conflict, the specific provision typically prevails as an exception to the general provision unless the general provision was enacted later and there is clear evidence the legislature intended the general provision to prevail. *See* Gov't Code § 311.026(b); *City of Lake Dallas v. Lake Cities Mun. Util. Auth.*, 555 S.W.2d 163, 168 (Tex. Civ. App.—Fort Worth 1977, writ ref'd n.r.e.). In this instance, although section 261.201 generally pertains to all records of alleged child abuse or neglect, section 550.065(c) specifically pertains to accident reports. Therefore, we find section 550.065 is more specific than, and prevails over, section 261.201. Although the sheriff's office also asserts section 552.108 to withhold this information, a statutory right of access prevails over the Act's general exceptions to public disclosure. *See, e.g.*, Open Records Decision Nos. 613 at 4 (1993) (exceptions in Act cannot impinge on statutory right of access to information), 451 (1986) (specific statutory right of access provisions overcome general exception to disclosure under the Act). Because section 552.108 is a general exception under the Act, the requestor's statutory access under section 550.065(c) prevails and the sheriff's office may not withhold the information under section 552.108 of the Government Code. Therefore, the sheriff's office must release the CR-3 accident report to the requestor pursuant to section 550.065(c) of the Transportation Code. The sheriff's office must withhold the remaining information under section 552.101 of the Government Code in conjunction with section 261.201 of the Family Code.²
