

KEN PAXTON  
ATTORNEY GENERAL OF TEXAS

December 8, 2017

Ms. Jennifer Smith  
Assistant District Attorney  
County of Hidalgo  
100 East Cano Street  
Edinburg, Texas 78539

OR2017-27923

Dear Ms. Smith:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 687027.

The County of Hidalgo (the "county") received two requests from different requestors for information pertaining to a specified project. You claim the submitted information is excepted from disclosure under section 552.104 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.104(a) of the Government Code excepts from disclosure "information that, if released, would give advantage to a competitor or bidder." Gov't Code § 552.104(a). The "test under section 552.104 is whether knowing another bidder's [or competitor's information] would be an advantage, not whether it would be a decisive advantage." *Boeing Co. v. Paxton*, 466 S.W.3d 831 (Tex. 2015). The county represents the information at issue pertains to a competitive bidding situation. You inform us although the county has selected a winning bidder, it is currently negotiating a contract with the business at issue and a contract with this business has not been executed. Additionally, you state since the contract has not been executed, release of the information at issue "may provide these or other bidders with a competitive advantage should the bid be reopened or should the need arise to select another vendor." After review of the information at issue and consideration of the arguments, we find the county has established the release of the information would give

advantage to a competitor or bidder. Thus, we conclude the county may withhold the submitted information under section 552.104(a) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
