

KEN PAXTON  
ATTORNEY GENERAL OF TEXAS

December 8, 2017

Mr. Adam T. Anderson  
Assistant County Attorney  
Montgomery County  
501 North Thompson, Suite 300  
Conroe, Texas 77301

OR2017-27964

Dear Mr. Anderson:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 687089 (ORR# 17PIA433).

The Montgomery County Sheriff's Office (the "sheriff's office") received a request for information pertaining to a specified incident involving the requestor. You claim some of the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information protected by the common-law informer's privilege, which has long been recognized by Texas courts. *See Aguilar v. State*, 444 S.W.2d 935, 937 (Tex. Crim. App. 1969); *Hawthorne v. State*, 10 S.W.2d 724, 725 (Tex. Crim. App. 1928). The informer's privilege protects from disclosure the identities of persons who report activities over which the governmental body has criminal or quasi-criminal law enforcement authority, provided the subject of the information does not already know the informer's identity. Open Records Decision Nos. 515 at 3 (1988), 208 at 1-2 (1978). The informer's privilege protects the identities of individuals who report violations of statutes to the police or similar law enforcement agencies, as well as those who report violations of statutes with civil or criminal penalties to "administrative officials having a duty of inspection or of law enforcement within their particular spheres." Open Records Decision No. 279 at 2 (1981). The report must be of a violation of a criminal or civil statute. *See* Open Records Decision Nos. 582 at 2 (1990), 515 at 4-5.

You state the submitted information identifies a complainant who reported a violation of law to the sheriff's office. You do not indicate, nor does it appear, the subject of the complaint knows the identity of the complainant. Further, we note in some circumstances, where an oral statement is captured on tape and the voice of the informant is recognizable, it may be necessary to withhold the entire audio statement to protect the informant's identity. Open Records Decision No. 434 at 2 (1986). Based upon your representations and our review, we conclude the sheriff's office has demonstrated the applicability of the common-law informer's privilege to the information at issue. Therefore, the sheriff's office may withhold the submitted audio recording in its entirety and the information we marked under section 552.101 of the Government Code in conjunction with the common-law informer's privilege. However, none of the remaining information at issue identifies an informer, and the sheriff's office may not withhold any of this information under section 552.101 on that basis. The remaining information must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. Sincerely,

Kieran Hillis
