

KEN PAXTON  
ATTORNEY GENERAL OF TEXAS

December 11, 2017

Mr. Matthew Murray  
Assistant City Attorney  
City of Fort Worth  
200 Texas Street, 3rd Floor  
Fort Worth, Texas 76102-6311

OR2017-28061

Dear Mr. Murray:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 693943 (City PIR No. W066741).

The City of Fort Worth (the "city") received a request for a specified police report. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.<sup>1</sup>

Initially, we note the submitted information includes a police officer's body worn camera recording. Body worn cameras are subject to chapter 1701 of the Occupations Code. Chapter 1701 provides the procedures a requestor must follow when seeking a body worn camera recording. Section 1701.661 provides, in relevant part, the following:

- (a) A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

---

<sup>1</sup>We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

- (1) the date and approximate time of the recording;
- (2) the specific location where the recording occurred; and
- (3) the name of one or more persons known to be a subject of the recording.

Occ. Code § 1701.661(a). In this instance, the requestor does not provide the requisite information under section 1701.661(a). As the body worn camera recording at issue was not properly requested pursuant to chapter 1701, our ruling does not reach this information and it need not be released.<sup>2</sup> However, pursuant to section 1701.661(b), a “failure to provide all the information required by [s]ubsection (a) to be part of a request for recorded information does not preclude the requestor from making a future request for the same recorded information.” *Id.* § 1701.661(b).

Section 552.101 of the Government Code excepts “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov’t Code § 552.101. This section encompasses section 58.008 of the Family Code, which provides, in part:

(b) Except as provided by Subsection (d), law enforcement records concerning a child and information concerning a child that are stored by electronic means or otherwise and from which a record could be generated may not be disclosed to the public and shall be:

- (1) if maintained on paper or microfilm, kept separate from adult records;
- (2) if maintained electronically in the same computer system as adult records, accessible only under controls that are separate and distinct from the controls to access electronic data concerning adults; and
- (3) maintained on a local basis only and not sent to a central state or federal depository, except as provided by Subsection (c) or Subchapter B, D, or E.

Fam. Code § 58.008(b)); *see id.* § 51.03(a) (defining “delinquent conduct” for purposes of title 3 of Family Code). Section 58.008(b) is applicable to records of juvenile conduct that occurred before, on, or after September 1, 2017. *See* Act of May 28, 2017, 85th Leg., R.S., ch. 746, § 22, 2017 Tex. Sess. Law Serv. 3173, 3187. The juvenile must have been at least 10 years old and less than 17 years of age when the conduct occurred. *See* Fam. Code

---

<sup>2</sup>As we are able to make this determination, we need not address your arguments against disclosure of this information.

§ 51.02(2) (defining “child” for purposes of title 3 of Family Code). Upon review, we find the remaining information involves a juvenile offender, so as to fall within the scope of section 58.008(b). It does not appear that any of the exceptions in section 58.008 apply; therefore, the city must withhold the remaining information under section 552.101 of the Government Code in conjunction with section 58.008(b) of the Family Code.<sup>3</sup>

In summary, as the body worn camera recording at issue was not properly requested pursuant to chapter 1701 of the Occupations Code, our ruling does not reach this information and it need not be released. The city must withhold the remaining information under section 552.101 of the Government Code in conjunction with section 58.008(b) of the Family Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
