

**KEN PAXTON**  
ATTORNEY GENERAL OF TEXAS

December 11, 2017

Mr. Will Trevino  
Counsel for the Town of Addison  
Messer, Rockefeller & Fort, P.L.L.C.  
6371 Preston Road, Suite 200  
Frisco, Texas 75034

OR2017-28074

Dear Mr. Trevino:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 693780 (ORR No. W004989).

The Town of Addison (the "town") received a request for a specified ambulance report.<sup>1</sup> You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code.<sup>2</sup> We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses section 773.091 of the Health and Safety Code, which provides in part:

---

<sup>1</sup>You state the town sought and received clarification of the request. *See* Gov't Code § 552.222(b) (providing that if request for information is unclear, governmental body may ask requestor to clarify request); *see also City of Dallas v. Abbott*, 304 S.W.3d 380, 387 (Tex. 2010) (holding that when governmental entity, acting in good faith, requests clarification or narrowing of unclear or overbroad request for public information, ten-day period to request attorney general ruling is measured from date request is clarified or narrowed).

<sup>2</sup>We note, and you acknowledge, the town did not comply with section 552.301 of the Government Code in requesting a ruling from this office. *See* Gov't Code § 552.301(b), (e). Nonetheless, because section 552.101 of the Government Code can provide a compelling reason to overcome the presumption of openness, we will consider its applicability to the submitted information. *See id.* §§ 552.007, .302, .352.

(b) Records of the identity, evaluation, or treatment of a patient by emergency medical services personnel or by a physician providing medical supervision that are created by the emergency medical services personnel or physician or maintained by an emergency medical services provider are confidential and privileged and may not be disclosed except as provided by this chapter.

...

(g) The privilege of confidentiality under this section does not extend to information regarding the presence, nature of injury or illness, age, sex, occupation, and city of residence of a patient who is receiving emergency medical services.

Health & Safety Code § 773.091 (b), (g). Except for the information specified in section 773.091(g), emergency medical services (“EMS”) records are deemed confidential under section 773.091. *See id.* The submitted information consists of records created and maintained by EMS personnel. Upon review, we find section 773.091 is applicable to the information at issue. Thus, with the exception of the information subject to section 773.091(g), which is not confidential and must be released, the town must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 773.091(b) of the Health and Safety Code. As you raise no further exceptions to disclosure, the town must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. Sincerely,

Britni Ramirez
