

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

December 12, 2017

Ms. Susan DeMeo
Legal Assistant
City of Georgetown
P.O. Box 409

OR2017-28206

Dear Ms. DeMeo:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 693911 (PIR No. G004725-110917).

The City of Georgetown (the "city") received a request for information pertaining to the arrest of a named individual. You claim portions of the submitted information are excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.108(b)(1) excepts from disclosure the internal records and notations of law enforcement agencies and prosecutors when their release would interfere with law enforcement and crime prevention. Gov't Code § 552.108(b)(1); *see also* Open Records Decision No. 531 at 2 (1989). Section 552.108(b)(1) is intended to protect "information which, if released, would permit private citizens to anticipate weaknesses in a police city, avoid detection, jeopardize officer safety, and generally undermine police efforts to effectuate the laws of this State." *See City of Ft. Worth v. Cornyn*, 86 S.W.3d 320 (Tex. App.—Austin 2002, no pet.). To demonstrate the applicability of this exception, a governmental body must meet its burden of explaining how and why release of the requested information would interfere with law enforcement and crime prevention. Open Records Decision No. 562 at 10 (1990). This office has concluded section 552.108(b)(1) excepts from public disclosure information relating to the security or operation of a law enforcement agency. *See, e.g.*, Open Records Decision Nos. 531 (release of detailed use of force guidelines would unduly interfere with law enforcement), 252 (1980) (section 552.108 is designed to protect investigative techniques and procedures used in law enforcement), 143 (1976) (disclosure of specific operations or specialized equipment directly related to

investigation or detection of crime may be excepted). Section 552.108(b)(1) is not applicable, however, to generally known policies and procedures. *See, e.g.*, Open Records Decision Nos. 531 at 2-3 (Penal Code provisions, common law rules, and constitutional limitations on use of force not protected), 252 at 3 (governmental body failed to indicate why investigative procedures and techniques requested were any different from those commonly known).

You argue release of the marked firearm serial numbers would interfere with law enforcement because the serial numbers would be used on illegal firearms or other tactical equipment used to commit crimes or falsely used in a missing weapons report. Based on your representations and our review, we agree release of the information at issue would interfere with law enforcement. Accordingly, the city may withhold the marked firearm serial numbers under section 552.108(b)(1) of the Government Code.

In summary, the city may withhold the marked firearm serial numbers under section 552.108(b)(1) of the Government Code. The remaining information must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
