Mr. Eric K. Miller
Assistant General Counsel
Office of the General Counsel
Texas Department of Criminal Justice
P.O. Box 4004

Dear Mr. Miller:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 689487 (TDCJ#AL0090).

The Texas Department of Criminal Justice (the "department") received a request for the department's incident management plan and related information. You claim the submitted information is excepted from disclosure under sections 552.101 and 552.108 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by other statutes, including section 418.176 of the Texas Homeland Security Act, chapter 418 of the Government Code (the "HSA"). Section 418.176(a) provides the following:

Information is confidential if the information is collected, assembled, or maintained by or for a governmental entity for the purpose of preventing, detecting, responding to, or investigating an act of terrorism or related criminal activity and:

- (1) relates to the staffing requirements of an emergency response provider, including a law enforcement agency, a fire-fighting agency, or an emergency services agency;
- (2) relates to a tactical plan of the provider; or
- (3) consists of a list or compilation of pager or telephone numbers, including mobile and cellular telephone numbers, of the provider.

Id. § 418.176(a). The fact that information may relate to a governmental body's security concerns or emergency management activities does not make the information *per se* confidential under the HSA. *See* Open Records Decision No. 649 at 3 (1996) (language of confidentiality provision controls scope of its protection). Furthermore, the mere recitation by a governmental body of a statute's key terms is not sufficient to demonstrate the applicability of a claimed provision. As with any exception to disclosure, a governmental body asserting one of the confidentiality provisions of the HSA must adequately explain how the responsive records fall within the scope of the claimed provision. *See* Gov't Code § 552.301(e)(1)(A) (governmental body must explain how claimed exception to disclosure applies).

The department claims the submitted incident management plan is excepted from disclosure under section 552.101 in conjunction with section 418.176 of the Government Code. The department explains the submitted incident management plan is "the [department's] primary source of information for responding to unusual incidents and major emergencies." Thus, you assert the submitted information consists of the tactical plan collected, assembled, or maintained for the purpose of responding to an act of terrorism or related criminal activity. Based on these representations and our review, we find the department must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 418.176 of the Government Code.¹
