

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

December 15, 2017

Mr. Jonathan T. Koury
Assistant City Attorney
City of Bryan
P.O. Box 1000
Bryan, Texas 77805

OR2017-28571

Dear Mr. Koury:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 689461.

The City of Bryan (the "city") received a request for any body worn camera recordings of a specified incident. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information made confidential by other statutes. The submitted information consists of recordings from city police officers' body worn cameras. Body worn cameras are subject to chapter 1701 of the Occupations Code. Section 1701.661(a) of the Occupations Code provides:

(a) A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

(1) the date and approximate time of the recording;

- (2) the specific location where the recording occurred; and
- (3) the name of one or more persons known to be a subject of the recording.

Occ. Code § 1701.661(a). We note the requestor provided the information required by section 1701.661(a) of the Occupations Code for release of the body worn camera recordings at issue. We understand the submitted recordings were required to be made by law or the policies of the city and the recording relates to a law enforcement purpose. *See id.* § 1701.661(h). The city asserts “the body camera video is not being used, nor could [it] be used, in any criminal prosecution.” The city adds “[t]here is no pending prosecution in any court of competent jurisdiction nor is there any intent by the [c]ity to begin it.” However, we conclude the city has failed to demonstrate the submitted recordings could not be used as evidence in a criminal prosecution. *See id.* § 1701.661(d) (stating information “that is or could be used as evidence in a criminal prosecution is subject to the requirements of [the Act.]”). Additionally, we have no indication the recordings document an incident that involves the use of deadly force by an officer or relate to an administrative or criminal investigation of an officer. *See id.* § 1701.660(a). The submitted recordings demonstrate they were not made in a private space for the purposes of section 1701.661(f). *See id.* §§ 1701.661(f), .651(3) (defining “private space” for purposes of section 1701.661(f)). We note, however, section 1701.661(f) provides, in relevant part:

A law enforcement agency may not release any portion . . . of a recording involving the investigation of conduct that constitutes a misdemeanor punishable by fine only and does not result in arrest, without written authorization from the person who is the subject of that portion of the recording or, if the person is deceased, from the person’s authorized representative.

Id. § 1701.661(f). You state the information contains body worn camera recordings involving the investigation of conduct that constitutes a misdemeanor punishable by fine only and which did not result in an arrest. You state you do not have permission for release from all of the subjects in the recording at issue. *See id.* Accordingly, we find the city must withhold the submitted body worn camera video recordings under section 552.101 of the Government Code in conjunction with section 1701.661(f) of the Occupations Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <http://www.texasattorneygeneral.gov/open/>
