ATTORNEY GENERAL OF TEXAS

December 18, 2017

Lieutenant Ricardo Gonzalez
Laredo Police Department
4712 Maher Avenue
Laredo, Texas 78041

OR2017-28680

Dear Lt. Gonzalez:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 688305 (W008245-092617).

The Laredo Police Department (the "department") received a request for information pertaining to a specified accident. You state you have released some information. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information subject to chapter 550 of the Transportation Code. Section 550.065 applies only to a written report of an accident required under section 550.061, 550.062, or 601.004. Transp. Code § 550.065(a)(1). Chapter 550 requires the creation of a written report when the accident resulted in injury to or the death of a person or damage to the property of any person to the apparent extent of \$1,000 or more. *Id.* §§ 550.061 (operator's accident report), .062 (officer's accident report). An accident report is privileged and for the confidential use of the Texas Department of Transportation or a local governmental agency of Texas that has use for the information for accident prevention purposes. *Id.* § 550.065(b). However, a governmental entity shall release an accident report in accordance with subsections (c) and (c-1). *Id.* § 550.065(c), (c-1). Section 550.065(c) provides a governmental entity shall release an accident report to a person or entity listed under this subsection. *Id.* § 550.065(c).

You argue the submitted information is confidential under section 550.065(b). We note, however, the information does not consist of written reports of accidents. Thus, we find you have failed to demonstrate the applicability of section 550.065 to the information at issue.

Consequently, the department may not withhold the information at issue under section 552.101 of the Government Code in conjunction with section 550.065 of the Transportation Code.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release.¹ See Gov't Code § 552.130. Accordingly, the department must withhold the information we have marked as well as the information we indicated in the submitted audio recording under section 552.130 of the Government Code. The remaining information must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
