

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

December 20, 2017

Mr. Joseph J. Gorfida, Jr.
Assistant City Attorney
City of Richardson
P.O. Box 831078
Richardson, Texas 75083-1078

OR2017-28915

Dear Mr. Gorfida:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 688936 (Richardson File # 17-873).

The City of Richardson (the "city") received a request for a specified report. You state you have released some information to the requestor. You state the city will redact certain information pursuant to the previous determination issued to the city in Open Records Letter No. 2017-00069 (2017).¹ You claim the submitted information is excepted from disclosure under sections 552.101, 552.108, and 552.130 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

The submitted information involves an alleged violation of section 32.51 of the Penal Code, which provides, "[a] person commits an offense if the person, with the intent to harm or defraud another, obtains, possesses, transfers, or uses an item of . . . identifying information of another person without the other person's consent[.]" Penal Code § 32.51(b)(1). For purposes of section 32.51, "identifying information" includes an individual's name and

¹Open Records Letter No. 2017-00069 is a previous determination issued to the city's police department authorizing the department to withhold dates of birth of living individuals under section 552.101 of the Government Code in conjunction with common-law privacy without requesting a decision from this office. *See* Gov't Code § 552.301(a); Open Records Decision No. 673 (2001) (listing elements of second type of previous determination under section 552.301 (a) of the Government Code).

financial institution account number. *Id.* § 32.51(a)(1)(A), (C). Article 2.29 of the Code of Criminal Procedure pertains to alleged violations of section 32.51 that occurred on or after September 1, 2005, and provides:

(a) A peace officer to whom an alleged violation of Section 32.51, Penal Code, is reported shall make a written report to the law enforcement agency that employs the peace officer that includes the following information:

- (1) the name of the victim;
- (2) the name of the suspect, if known;
- (3) the type of identifying information obtained, possessed, transferred, or used in violation of Section 32.51, Penal Code; and
- (4) the results of any investigation.

(b) On the victim's request, the law enforcement agency shall provide the report created under Subsection (a) to the victim. In providing the report, the law enforcement agency shall redact any otherwise confidential information that is included in the report, other than the information described by Subsection (a).

Crim. Proc. Code art. 2.29. For purposes of article 2.29, an offense is committed on or after September 1, 2005, if no "element of the offense occurs before that date." Act of Jun. 17, 2005, 79th Leg., R.S., ch. 294, § 1(b), 2005 Tex. Gen. Laws 885.

In this instance, the submitted information pertains to a report of forgery, which constitutes an alleged violation of section 32.51. We note the requestor is the victim of the alleged identity theft listed in the report, and the alleged offense occurred after September 1, 2005. Therefore, the submitted information is subject to article 2.29 of the Code of Criminal Procedure. *See* Crim. Proc. Code art. 2.29. Although you seek to withhold the information under section 552.108 of the Government Code, this exception does not make information confidential. *See* Open Records Decision Nos. 665 at 2 n.5 (2000) (discretionary exceptions generally), 586 (1991) (governmental body may waive section 552.108). Therefore, the submitted report may not be withheld under section 552.108 of the Government Code. However, because sections 552.101 and 552.130 of the Government Code make information confidential under the Act, we will consider your arguments under these exceptions.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by other statutes, such as chapter 411 of the Government Code, which makes confidential criminal history record

information ("CHRI") generated by the National Crime Information Center or by the Texas Crime Information Center. Title 28, part 20 of the Code of Federal Regulations governs the release of CHRI states obtain from the federal government or other states. Open Records Decision No. 565 at 7 (1990). The federal regulations allow each state to follow its individual laws with respect to the CHRI it generates. *See id.* Section 411.083 of the Government Code deems confidential CHRI that the Department of Public Safety ("DPS") maintains, except that DPS may disseminate this information as provided in chapter 411, subchapter F or subchapter E-1 of the Government Code. *See Gov't Code* § 411.083. Sections 411.083(b)(1) and 411.089(a) authorize a criminal justice agency to obtain CHRI; however, a criminal justice agency may not release CHRI except to another criminal justice agency for a criminal justice purpose. *Id.* § 411.089(b)(1). Other entities specified in chapter 411 of the Government Code are entitled to obtain CHRI from DPS or another criminal justice agency; however, those entities may not release CHRI except as provided by chapter 411. *See generally id.* §§ 411.090-.127. Thus, any CHRI obtained from DPS or any other criminal justice agency must be withheld under section 552.101 in conjunction with chapter 411, subchapter F or subchapter E-1 of the Government Code. We note section 411.083 does not apply to active warrant information or other information relating to one's current involvement with the criminal justice system. *See id.* § 411.081(b) (police department allowed to disclose information pertaining to person's current involvement in the criminal justice system). Further, CHRI does not include driving record information. *See id.* § 411.082(2)(B). Upon review, we find the information we marked consists of CHRI the city must withhold under section 552.101 in conjunction with section 411.083 of the Government Code. However, we find the city failed to demonstrate any portion of the remaining information consists of CHRI for purposes of chapter 411 of the Government Code, and the city may not withhold it under section 552.101 on that basis.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See id.* § 552.130. We note, however, because section 552.130 is designed to protect the privacy of individuals, the requestor has a right of access to her own driver's license number pursuant to section 552.023 of the Government Code and it may not be withheld from her under section 552.130. *See id.* § 552.023(b) (governmental body may not deny access to person to whom information relates or person's agent on grounds that information is considered confidential by privacy principles); Open Records Decision No. 481 at 4 (1987) (privacy theories not implicated when individuals request information concerning themselves). We find none of the remaining information consists of motor vehicle record information subject to section 552.130 that does not belong to the requestor. Accordingly, none of the remaining information may be withheld under section 552.130 of the Government Code.

In summary, the city must withhold the information we marked under section 552.101 of the Government Code in conjunction with section 411.083 of the Government Code. The city must release the remaining information to this requestor.²

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
