Ms. Katie Lentz
Open Records
Williamson County Sheriff's Office
508 South Rock Street
Georgetown, Texas 78626

OR2017-28991A

Dear Ms. Lentz:

This office issued Open Records Letter No. 2017-28991 (2017) on December 21, 2017. We have determined the prior ruling should be corrected. *See* Gov't Code §§ 552.306, .352. This decision is substituted for Open Records Letter No. 2017-28991 and serves as the correct ruling. *See generally id.* § 552.011 (Office of Attorney General may issue decision to maintain uniformity in application, operation, and interpretation of Public Information Act (the "Act"), chapter 552 of the Government Code). This ruling was assigned ID# 700692.

The Williamson County Sheriff's Office (the "sheriff's office") received a request for records pertaining to a specified incident. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information protected by other statutes, such as section 261.201 of the Family Code, which provides in relevant part:

- (a) [T]he following information is confidential, is not subject to public release under Chapter 552, Government Code, and may be disclosed only for purposes consistent with this code and applicable federal or state law or under rules adopted by an investigating agency:

(1) a report of alleged or suspected abuse or neglect made under this chapter and the identity of the person making the report; and

(2) except as otherwise provided in this section, the files, reports, records, communications, audiotapes, videotapes, and working papers used or developed in an investigation under this chapter or in providing services as a result of an investigation.

...

(k) Notwithstanding Subsection (a), an investigating agency, other than the [Texas Department of Family and Protective Services] or the Texas Juvenile Justice Department, on request, shall provide to the parent, managing conservator, or other legal representative of a child who is the subject of reported abuse or neglect, or to the child if the child is at least 18 years of age, information concerning the reported abuse or neglect that would otherwise be confidential under this section. The investigating agency shall withhold information under this subsection if the parent, managing conservator, or other legal representative of the child requesting the information is alleged to have committed the abuse or neglect.

Fam. Code § 261.201(a), (k). Upon review, we find the submitted information was used or developed in an investigation of alleged child abuse. *See id.* § 261.001 (defining “abuse” for purposes of chapter 261 of the Family Code); *see also id.* § 101.003(a) (defining “child” for purposes of this section as person under 18 years of age who is not and has not been married or who has not had the disabilities of minority removed for general purposes). Therefore, we find the submitted report falls within the scope of section 261.201(a). While the submitted information states the requestor is the parent of the child victim listed in the submitted report, the requestor is alleged to have committed the suspected abuse. Thus, the requestor does not have a right of access to the information at issue under section 261.201(k). *See id.* § 261.201(k). Accordingly, the submitted information must be withheld in its entirety under section 552.101 of the Government Code in conjunction with section 261.201 of the Family Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
