Dear Ms. Harden:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 688426 (PIR No. 17-47724).

The Office of the Attorney General (the "OAG") received a request for information pertaining to a specified incident, including the requestor's crime victim compensation file. The OAG states it will release most of the requested information. The OAG states it does not maintain information responsive to portions of the request.¹ The OAG claims the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the claimed exception and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by other statutes, such as chapter 611 of the Health and Safety Code. Section 611.002 provides in pertinent part:

¹ The Act does not require a governmental body to release information that did not exist when a request for information was received or to prepare new information in response to a request. *See Econ. Opportunities Dev. Corp. v. Bustamante*, 562 S.W.2d 266, 267-68 (Tex. Civ. App.—San Antonio 1978, writ dismissed); Open Records Decision Nos. 605 at 2 (1992), 452 at 3 (1986), 362 at 2 (1983).

(a) Communications between a patient and a professional, and records of the identity, diagnosis, evaluation, or treatment of a patient that are created or maintained by a professional, are confidential.

(b) Confidential communications or records may not be disclosed except as provided by Section 611.004 or 611.0045.

Health & Safety Code § 611.002(a)-(b). Section 611.001 defines a “professional” as (1) a person authorized to practice medicine, (2) a person licensed or certified by the state to diagnose, evaluate or treat mental or emotional conditions or disorders, or (3) a person the patient reasonably believes is authorized, licensed, or certified. *See id.* § 611.001(2). Upon review, we find the submitted information consists of mental health records for purposes of chapter 611 of the Health and Safety Code. Accordingly, the OAG must withhold the submitted information under section 552.101 of the Government Code in conjunction with chapter 611 of the Health and Safety Code.²

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. ²We note this ruling does not affect an individual’s right of access to his or her own mental health records from the professional who provided treatment under chapter 611 of the Health and Safety Code. *See* Health & Safety Code §§ 611.004, .0045; *cf. Abbott v. Tex. State Bd. of Pharmacy*, 391 S.W.3d 253 (Tex. App.—Austin 2012, no pet.) (Medical Practice Act, subtitle B of title 3 of the Occupations Code, does not provide patient general right of access to his or her medical records from governmental body responding to a request for information under the Act).
