Assistant City Attorney
City of Dallas

OR2017-29086

Dear Ms. Armstrong:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 689366 (ORR# 2017-21705).

The Dallas Police Department (the "department") received a request for all audits conducted by the department's narcotics division over a specified period of time. You indicate you released some information. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.¹

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must explain how and why this exception is applicable to the information at issue. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). The submitted information consists of administrative records.

¹We assume that the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

We note section 552.108 is generally not applicable to records that are purely administrative in nature and do not involve the investigation or prosecution of crime. *See City of Fort Worth v. Cornyn*, 86 S.W.3d 320 (Tex. App.—Austin 2002, no pet.); *Morales v. Ellen*, 840 S.W.2d 519 (Tex. App. —El Paso 1992, writ denied) (statutory predecessor to section 552.108 not applicable to internal investigation that did not result in criminal investigation or prosecution); *see also* Open Records Decision No. 350 at 3-4 (1982). However, you represent the information you marked relates to pending criminal cases that are being investigated by the department's police department. Based upon your representation, we conclude release of the information you marked will interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Accordingly, we find the department may withhold the information you marked under section 552.108(a)(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
