ATTORNEY GENERAL OF TEXAS

December 29, 2017

Mr. Sol M. Cortez  
Assistant City Attorney  
Office of the City Attorney  
City of El Paso  
P.O. Box 1890  
El Paso, Texas 79950-1890

OR2017-29283

Dear Mr. Cortez:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 690435 (ORR# 17-1044-1102).

The City of El Paso (the "city") received a request for specified contracts for Butterfield Trail Golf Club. The city states it will release some of the requested information. Although the city takes no position as to whether the submitted information is excepted under the Act, the city states release of the submitted information may implicate the proprietary interests of Kemper Sports Management, Inc. ("Kemper"). Accordingly, the city states, and provides documentation showing, it notified Kemper of the request for information and of the right to submit arguments to this office as to why the submitted information should not be released. *See Gov't Code § 552.305(d); see also Open Records Decision No. 542 (1990)* (statutory predecessor to section 552.305 permits governmental body to rely on interested third party to raise and explain applicability of exception in the Act in certain circumstances). We have reviewed the submitted information.

An interested third party is allowed ten business days after the date of its receipt of the governmental body's notice under section 552.305(d) to submit its reasons, if any, as to why information relating to that party should be withheld from public disclosure. *See Gov't Code § 552.305(d)(2)(B)*. As of the date of this letter, we have not received comments from Kemper explaining why the submitted information should not be released. Therefore, we

have no basis to conclude Kemper has a protected proprietary interest in the submitted information. *See id.* § 552.110; Open Records Decision Nos. 661 at 5-6 (1999) (to prevent disclosure of commercial or financial information, party must show by specific factual evidence, not conclusory or generalized allegations, that release of requested information would cause that party substantial competitive harm), 552 at 5 (1990) (party must establish *prima facie* case that information is trade secret), 542 at 3. Accordingly, the city may not withhold the submitted information on the basis of any proprietary interest Kemper may have in the information. As no exceptions to disclosure have been raised, the city must release the submitted information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. Claire V. Morris Sloan
