Mr. Mark C. Kratovil
Assistant Criminal District Attorney
Tarrant County

OR2018-00024

Dear Mr. Kratovil:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 690283.

The Tarrant County Criminal District Attorney's Office (the "district attorney's office") received a request for information pertaining to a specified case. You claim the submitted information is excepted from disclosure under sections 552.101 and 552.108 of the Government Code. We have considered the exceptions you claim and reviewed the submitted representative sample of information.¹

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information made confidential by other statutes, such as section 261.201 of the Family Code, which provides, in relevant part:

(a) [T]he following information is confidential, is not subject to public release under [the Act], and may be disclosed only for purposes consistent with this code and applicable federal or state law or under rules adopted by an investigating agency:

¹We assume that the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

(1) a report of alleged or suspected abuse or neglect made under this chapter and the identity of the person making the report; and

(2) except as otherwise provided in this section, the files, reports, records, communications, audiotapes, videotapes, and working papers used or developed in an investigation under this chapter or in providing services as a result of an investigation.

Fam. Code § 261.201(a). Upon review, we find the submitted information was used or developed in an investigation conducted under chapter 261 of the Family Code, so as to fall within the scope of section 261.201(a). *See id.* §§ 101.003(a) (defining “child” for purposes of section 261.201), 261.001(1), (4) (defining “abuse” and “neglect” for purposes of section 261.201 of Family Code). We have no indication the district attorney’s office has adopted a rule governing the release of this type of information. Therefore, we assume no such regulation exists. Given that assumption, the submitted information is confidential under section 261.201 of the Family Code, and the district attorney’s office must withhold it under section 552.101 of the Government Code.²

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
