

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

January 4, 2018

Mr. Sharbel Sfeir
Assistant General Counsel
Texas Department of Criminal Justice
P.O. Box 4004
Huntsville, Texas 77342-4004

OR2018-00280

Dear Mr. Sfeir:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 690097 (TDCJ# ZT0073).

The Texas Department of Criminal Justice (the "department") received a request for information and photographs pertaining to a specified incident involving the requestor's client. You claim the submitted information is excepted from disclosure under section 552.134 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.134 of the Government Code relates to information about inmates of the department. This exception provides, in relevant part:

(a) Except as provided by Subsection (b) or by Section 552.029 [of the Government Code], information obtained or maintained by the Texas Department of Criminal Justice is excepted from [required public disclosure] if it is information about an inmate who is confined in a facility operated by or under a contract with the department.

Gov't Code § 552.134(a). Section 552.029 of the Government Code provides, in part:

Notwithstanding Section . . . 552.134, the following information about an inmate who is confined in a facility operated by or under a contract with the [department] is subject to required disclosure under Section 552.021:

...

(8) basic information regarding the death of an inmate in custody, an incident involving the use of force, or an alleged crime involving the inmate.

Id. § 552.029(8). Thus, section 552.134 is explicitly made subject to section 552.029. You state the submitted information pertains to an inmate, the requestor's client, who is confined in a facility operated by the department. Upon review, we agree the submitted information is subject to section 552.134 of the Government Code. Although section 552.023 of the Government Code gives a person or the person's authorized representative a "special right of access, beyond the right of the general public, to information held by a governmental body that relates to the person and that is protected from public disclosure by laws intended to protect that person's privacy interests," we note section 552.134 does not protect only the inmate's privacy interest. *See id.* § 552.023(a). Further, although you assert section 552.029 of the Government Code does not apply to the submitted information, we find the submitted information pertains to a crime involving the named inmate. Thus, the department must release basic information about the crime involving the named inmate pursuant to section 552.029. The basic information that must be released includes the time and place of the incident, the names of inmates and of department employees who were involved, a brief narrative of the incident, a brief description of any injuries sustained by anyone involved, and information regarding any criminal charges or disciplinary actions that were filed as a result of the incident. Accordingly, except for basic information under section 552.029(8) of the Government Code, the department must withhold the submitted information under section 552.134 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
