Dear Ms. Freeland:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 692321 (PIR# 17-7933).

The Texas Department of Public Safety ("DPS") received a request for the bid tabulations for a specified bid. You claim the submitted information is excepted from disclosure under section 552.104 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.104(a) of the Government Code excepts from disclosure "information that, if released, would give advantage to a competitor or bidder." Gov't Code § 552.104(a). The "test under section 552.104 is whether knowing another bidder's [or competitor's information] would be an advantage, not whether it would be a decisive advantage." *Boeing Co. v. Paxton*, 466 S.W.3d 831 (Tex. 2015). You represent the submitted information pertains to a competitive bidding situation. In addition, you state the release of the submitted information would "harm DPS's purchasing interests and weaken [DPS]'s bargaining position as it deliberates options and negotiates best value now and in the future" because it would allow competing vendors to know the prices offered, which you contend "could artificially inflate prices and prevent [DPS] from getting the best value[.]" After review of the information at issue and consideration of the arguments, we find DPS has established the release of the submitted information would give advantage to a competitor or bidder. Thus,

we conclude DPS may withhold the submitted information under section 552.104(a) of the Government Code.

You ask this office to issue a previous determination permitting DPS to withhold bid tabulations under section 552.104 of the Government Code without the necessity of requesting a decision under section 552.301 of the Government Code. *See* Gov't Code § 552.301(a) (allowing a governmental body to withhold information subject to previous determination); Open Records Decision No. 673 (2001) (listing elements of second type of previous determination under section 552.301(a) of the Government Code). We decline to issue such a previous determination at this time. Accordingly, this letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
