OR2018-01413

Dear Ms. Anderson-Nelson:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 693759 (ORR# W002219-110317).

Dallas Area Rapid Transit ("DART") received a request for seven categories of information pertaining to a specified incident. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note you have only submitted information responsive to the request for reports and witness statements pertaining to the specified incident. To the extent any information responsive to the remaining portions of the request existed on the date DART received the request, we assume DART has released it. If DART has not released any such information, it must do so at this time. *See* Gov't Code §§ 552.301(a), .302; *see also* Open Records Decision No. 664 (2000) (if governmental body concludes no exceptions apply to requested information, it must release information as soon as possible).

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by other statutes. DART is a regional transportation authority governed by chapter 452 of the Transportation Code. *See* Transp. Code ch. 452; *see also id.* § 452.001(1) (defining "authority" for purposes of

chapter 452 of the Transportation Code). Section 452.061 of the Transportation Code provides in relevant part:

(e) Personal identifying information collected by an authority is confidential and not subject to disclosure under Chapter 552, Government Code, including a person's:

- (1) name, address, e-mail address, and phone number;
- (2) account number, password, payment transaction activity, toll or charge record, or credit, debit, or other payment card number; and
- (3) other personal financial information.

*Id.* § 452.061(e). You assert the submitted information contains personal identifying information made confidential by section 452.061(e). We note subsection 452.061(e) is contained in section 452.061, which is titled “Fares and Other Charges.” Additionally, subsections (a) through (d) of section 452.061 discuss an authority’s responsibilities in imposing fares and other charges and the state’s power to regulate taxes imposed by an authority or other compensation authorized by this section. *See id.* § 452.061(a)–(d). Accordingly, we conclude section 452.061(e) is only applicable to personal identifying information collected by DART for purposes relating to the collection of fares and other charges. *Cf. Paxton v. Tex. Dep’t of State Health Servs.*, 500 S.W.3d 702, 706 (Tex. App—Austin 2016, no pet.) (holding although isolated reading of section 531.1021(g) of Government Code suggests it applies to any Office of Inspector General (“OIG”) investigation, confidentiality of OIG investigations provided by section 531.1021(g) must be read in context of OIG’s enabling provisions and thus, extended only to OIG investigations concerning fraud, waste, and abuse in the provision and delivery of health and human services in the state). Upon review, we find DART did not collect the personal identifying information for purposes relating to the collection of fares and other charges. Consequently, the personal identifying information at issue is not confidential under section 452.061(e) of the Transportation Code, and may not be withheld under section 552.101 of the Government Code on that basis.

We note some of the remaining information may be subject to section 552.117 of the Government Code.<sup>1</sup> Section 552.117(a)(1) of the Government Code excepts from disclosure the home address and telephone number, emergency contact information, social security number, and family member information of a current or former employee or official of a governmental body who requests this information be kept confidential under section 552.024

---

<sup>1</sup>The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body, but ordinarily will not raise other exceptions. *See Open Records Decision No. 481 (1987), 480 (1987), 470 (1987).*

of the Government Code. *See* Gov't Code § 552.117(a)(1). Whether a particular item of information is protected by section 552.117(a)(1) must be determined at the time of the governmental body's receipt of the request for the information. *See* Open Records Decision No. 530 at 5 (1989). Thus, information may be withheld under section 552.117(a)(1) only on behalf of a current or former employee or official who made a request for confidentiality under section 552.024 prior to the date of the governmental body's receipt of the request for the information. Information may not be withheld under section 552.117(a)(1) on behalf of a current or former employee or official who did not timely request under section 552.024 the information be kept confidential. Therefore, to the extent the employee at issue timely requested confidentiality under section 552.024 of the Government Code, DART must withhold the information we marked under section 552.117(a)(1) of the Government Code. Conversely, to the extent the employee at issue did not timely request confidentiality under section 552.024, DART may not withhold the information under section 552.117(a)(1). As you raise no further exceptions to disclosure, DART must release the remaining information.

DART also asks this office to issue a previous determination that would authorize it to withhold personal identifying information collected by DART under section 552.101 of the Government Code in conjunction with section 452.061 of the Transportation Code. In the alternative, DART asks this office to issue a previous determination that would authorize it to release personal identifying information collected by DART. We decline to issue such a previous determination with respect to either request at this time. Accordingly, this letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
