Dear Ms. Williams:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 693517(Ref. Nos. W002229-110317 and W002208-110217).

Dallas Area Rapid Transit ("DART") received a request for all assaults and complaints regarding assaults involving DART operators during a specified time period. You state you have released some information. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.¹

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information other statutes make confidential. DART is a regional transportation authority governed by chapter 452 of the Transportation Code. *See* Transp. Code ch. 452; *see also id.* § 452.001(1) (defining "authority" for purposes of chapter 452 of the Transportation Code). Section 452.061 of the Transportation Code provides in relevant part:

(e) Personal identifying information collected by an authority is confidential and not subject to disclosure under Chapter 552, Government Code, including a person's:

¹We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

- (1) name, address, e-mail address, and phone number;
- (2) account number, password, payment transaction activity, toll or charge record, or credit, debit, or other payment card number; and
- (3) other personal financial information.

Id. § 452.061(e). You assert the submitted information consists of personal identifying information made confidential by section 452.061(e). We note subsection 452.061(e) is contained in section 452.061, which is titled “Fares and Other Charges.” Additionally, subsections (a) through (d) of section 452.061 discuss an authority’s responsibilities in imposing fares and other charges and the state’s power to regulate taxes imposed by an authority or other compensation authorized by this section. *See id.* § 452.061(a)–(d). Accordingly, we conclude section 452.061(e) is only applicable to personal identifying information collected by DART for purposes relating to the collection of fares and other charges. *Cf. Paxton v. Tex. Dep’t of State Health Servs.*, 500 S.W.3d 702, 706 (Tex. App—Austin 2016, no pet.) (holding although isolated reading of section 531.1021(g) of Government Code suggests it applies to any Office of Inspector General (“OIG”) investigation, confidentiality of OIG investigations provided by section 531.1021(g) must be read in context of OIG’s enabling provisions and thus, extended only to OIG investigations concerning fraud, waste, and abuse in the provision and delivery of health and human services in the state). Upon review, we find DART did not collect the personal identifying information for purposes relating to the collection of fares and other charges. Consequently, the personal identifying information at issue is not confidential under section 452.061(e) of the Transportation Code, and may not be withheld under section 552.101 of the Government Code on that basis.

Section 552.137 of the Government Code excepts from disclosure “an e-mail address of a member of the public that is provided for the purpose of communicating electronically with a governmental body” unless the member of the public consents to its release or the e-mail address is of a type specifically excluded by subsection (c).² Gov’t Code § 552.137(a)-(c). The e-mail addresses at issue are not a type specifically excluded by section 552.137(c) of the Government Code. Accordingly, DART must withhold the e-mail addresses we marked under section 552.137 of the Government Code, unless the owners of the e-mail addresses affirmatively consent to their disclosure. DART must release the remaining information.

Finally, you request that this office issue a previous determination that would permit DART to withhold from disclosure DART public transit rider personal identifying information subject to section 452.061(e) of the Transportation Code without the need of requesting a ruling from this office. In the alternative, DART asks this office to issue a previous determination that would authorize it to release personal identifying information collected

²The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body, but ordinarily will not raise other exceptions. *See Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).*

by DART. We decline to issue such a previous determination with request to either request at this time.

Accordingly, this letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.texasattorneygeneral.gov/open/orl_ruling_info.shtml, or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839.
