Ms. Leslie A. Whitten
Assistant City Attorney
Legal Department
City of College Station
P.O. Box 9960
College Station, Texas 77842

OR2018-02038

Dear Ms. Whitten:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 695741 (ORR# A17-001629).

The City of College Station (the "city") received a request for information related to case number 17-002893. The city states it is releasing some of the requested information, including the police officer's crash report pursuant to section 550.065(c) of the Transportation Code. *See* Transp. Code § 550.065(c) (providing for release of accident report to person or entity listed under this subsection). The city claims the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception the city claims and reviewed the submitted information.

The submitted information consists of a police officers' body worn camera recording. Body worn cameras are subject to chapter 1701 of the Occupations Code. We note the body worn camera recording was properly requested under section 1701.661(a) of the Occupations Code. *See* Occ. Code § 1701.661(a) (when submitting written request for information recorded by body worn camera, member of the public must provide date and approximate time, specific location, and name of one or more persons known to be the subject of recording). The recording at issue reflects it was required to be made by law or the policies of the city's police department and relates to a law enforcement purpose. *See id.* § 1701.661(h). Further, we understand the recording is or could be used as evidence in a

criminal prosecution. *See id.* § 1701.661(d). Additionally, we have no indication the recording documents an incident that involves the use of deadly force by an officer or relates to an administrative or criminal investigation of an officer. *See id.* § 1701.660(a). The submitted recording demonstrates it was not made in a private space for the purposes of section 1701.661(f). *See id.* §§ 1701.661(f), .651(3) (defining “private space” for purposes of section 1701.661(f)). We note, however, section 1701.661(f) provides, in relevant part:

A law enforcement agency may not release any portion . . . of a recording involving the investigation of conduct that constitutes a misdemeanor punishable by fine only and does not result in arrest, without written authorization from the person who is the subject of that portion of the recording or, if the person is deceased, from the person’s authorized representative.

Id. § 1701.661(f). In this instance, the city informs us the body worn camera recording at issue involves an investigation of conduct that constitutes a misdemeanor punishable by fine only and did not result in arrest. Further, the city informs us it has not received written authorizations for release from all of the subjects of the recording. Accordingly, the submitted body worn camera recording is confidential and the city must withhold it under section 552.101 of the Government Code in conjunction with section 1701.661(f) of the Occupations Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
