ATTORNEY GENERAL OF TEXAS

Ms. Leticia D. McGowan
Assistant General Counsel
Dallas Independent School District

OR2018-02137

Dear Ms. McGowan:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 693848 (ORR# 16704).

The Dallas Independent School District (the "district") received a request for three categories of information pertaining to district teachers and employees. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.¹

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by other statutes. Section 21.355 of the Education Code provides, in relevant part, "[a] document evaluating the performance of a teacher or administrator is confidential." Educ. Code § 21.355(a). This office has interpreted section 21.355 to apply to any document that evaluates, as that term is commonly understood, the performance of a teacher or administrator. *See* Open Records

¹We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

Decision No. 643 (1996). In Open Records Decision No. 643, we determined for purposes of section 21.355, the word “teacher” means a person who is required to and does in fact hold a teaching certificate under subchapter B of chapter 21 of the Education Code and who is in the process of teaching, as that term is commonly defined, at the time of the evaluation. *See id.* at 4. The Third Court of Appeals has concluded a written reprimand constitutes an evaluation for purposes of section 21.355 because “it reflects the principal’s judgment regarding [a teacher’s] actions, gives corrective direction, and provides for further review.” *Abbott v. North East Indep. Sch. Dist.*, 212 S.W.3d 364 (Tex. App.—Austin 2006, no pet.).

You contend the submitted information includes confidential evaluations of teachers by the district. You inform us the teachers at issue were certified as teachers by the State Board of Educator Certification and were acting as teachers at the time evaluations were prepared. Based on your representations and our review, we find the district must withhold the information we marked under section 552.101 of the Government Code in conjunction with section 21.355 of the Education Code. However, we find you have failed to demonstrate any of the remaining information consists of documents evaluating the performance of a teacher for purposes of section 21.355 of the Education Code. Accordingly, none of the remaining information may be withheld under section 552.101 of the Government Code on that basis.

We note some of the remaining information may be subject to section 552.117 of the Government Code.² Section 552.117(a)(1) excepts from disclosure the home address and telephone number, emergency contact information, social security number, and family member information of a current or former employee or official of a governmental body who requests this information be kept confidential under section 552.024 of the Government Code, except as provided by section 552.024(a-1). *See Gov’t Code* §§ 552.117(a)(1), .024. Section 552.024(a-1) of the Government Code provides, “A school district may not require an employee or former employee of the district to choose whether to allow public access to the employee’s or former employee’s social security number.” *Id.* § 552.024(a-1). Thus, the district may only withhold under section 552.117 the home address and telephone number, emergency contact information, and family member information of a current or former employee or official of the district who requests this information be kept confidential under section 552.024. Whether a particular item of information is protected by section 552.117(a)(1) must be determined at the time of the governmental body’s receipt of the request for the information. *See Open Records Decision No. 530 at 5 (1989)*. Thus, information may be withheld under section 552.117(a)(1) only on behalf of a current or former employee or official who made a request for confidentiality under section 552.024 prior to the date of the governmental body’s receipt of the request for the information. Information may not be withheld under section 552.117(a)(1) on behalf of a current or former employee or official who did not timely request under section 552.024 the information be

²The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body, but ordinarily will not raise other exceptions. *See Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987)*.

kept confidential. Therefore, to the extent the individuals whose information is at issue timely requested confidentiality under section 552.024 of the Government Code, the district must withhold the information we have marked under section 552.117(a)(1) of the Government Code. Conversely, to the extent the individuals at issue did not timely request confidentiality under section 552.024, the district may not withhold the marked information under section 552.117(a)(1).

In summary, the district must withhold the information we marked under section 552.101 of the Government Code in conjunction with section 21.355 of the Education Code. To the extent the individuals whose information is at issue timely requested confidentiality under section 552.024 of the Government Code, the district must withhold the information we have marked under section 552.117(a)(1) of the Government Code. The district must release the remaining information.
