Dear Mr. Sfeir:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 693694.

The Texas Department of Criminal Justice (the "department") received a request for information pertaining to a specified incident. You state you have released some of the submitted information. You claim the remaining submitted information is excepted from disclosure under section 552.134 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.134 of the Government Code provides, in relevant part:

(a) Except as provided by Subsection (b) or by Section 552.029, information obtained or maintained by the [department] is excepted from the requirements of Section 552.021 if it is information about an inmate who is confined in a facility operated by or under a contract with the department.

Gov't Code § 552.134(a). Upon review, we agree the information at issue pertains to an individual who was formerly confined as an inmate confined in a facility operated by the department. You state section 552.029 of the Government Code does not apply to the information at issue. Thus, we agree the information at issue is subject to section 552.134 of the Government Code. Therefore, the department must withhold the information at issue under section 552.134 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
