Re: Request for reports, affidavits, call sheets, logs, video/audio/patrol videos or recordings regarding two named individuals.

Dear Mr. Evans:

The Office of the Attorney General has received your request for a ruling and assigned your request ID# 701634.

After reviewing your arguments, we have determined your request does not present a novel or complex issue. Thus, we are addressing your claims in a memorandum opinion. You claim the requested information must be withheld from the requestor. A request to compile an individual's criminal history implicates this person's privacy. We have concluded such a compilation is highly embarrassing information and is generally not of legitimate concern to the public. Therefore, to the extent you maintain law enforcement records depicting the named individual as a suspect, arrestee, or criminal defendant, you must withhold the requested information under section 552.101 of the Government Code in conjunction with common-law privacy. Furthermore, you may withhold report number 12-102250 under section 552.108(a)(2) of the Government Code. However, you must release the basic information from report number 12-102250 pursuant to section 552.108(c).

For more information on the cited exception, please refer to the open government information on our website at <https://www.texasattorneygeneral.gov/og/memorulings>. You may also contact our Open Government Hotline at 1-877-OPENTEX.
