

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

February 6, 2018

Mr. Peter G. Smith
City Attorney
City of Richardson
P.O. Box 831078
Richardson, Texas 75083-1078

OR2018-02582

Dear Mr. Smith:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 694126 (File No. 17-999).

The Richardson Police Department (the "department") received a request for information pertaining to a specified case. You state you have released some information. We understand the department will redact public citizens' dates of birth pursuant to Open Records Letter No. 2017-00069 (2017).¹ You claim the submitted information is excepted from disclosure under sections 552.103, 552.108, and 552.130 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Initially, we note a portion of the submitted information is subject to section 552.022 of the Government Code. Section 552.022(a) provides, in relevant part:

(a) [T]he following categories of information are public information and not excepted from required disclosure unless made confidential under this chapter or other law:

¹Open Records Letter No. 2017-00069 authorizes the department to withhold public citizens' dates of birth under section 552.101 of the Government Code in conjunction with common-law privacy without requesting a ruling from this office.

...

(3) information in an account, voucher, or contract relating to the receipt or expenditure of public or other funds by a governmental body[.]

Gov't Code § 552.022(a)(3). The submitted information contains a receipt relating to the expenditure of public funds subject to section 552.022(a)(3) of the Government Code. This information must be released unless it is made confidential under the Act or other law. You seek to withhold the information at issue under sections 552.103 and 552.108 of the Government Code. However, sections 552.103 and 552.108 are discretionary exceptions and do not make information confidential under the Act. *See Dallas Area Rapid Transit v. Dallas Morning News*, 4 S.W.3d 469, 475-76 (Tex. App.—Dallas 1999, no pet.) (governmental body may waive section 552.103); Open Records Decision Nos. 665 at 2 n.5 (2000) (discretionary exceptions generally), 663 at 5 (1999) (waiver of discretionary exceptions), 177 at 3 (1977) (statutory predecessor to Gov't Code § 552.108 subject to waiver). Therefore, the department may not withhold the information subject to section 552.022(a)(3) under section 552.103 or section 552.108. However, we note some of this information is subject to section 552.130 of the Government Code, which can make information confidential under the Act. Therefore, we will consider the applicability of section 552.130 to the information subject to section 552.022. Furthermore, we will also consider your arguments under sections 552.103 and 552.108 for the information not subject to section 552.022(a)(3).

Section 552.108(a)(1) of the Government Code excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if: (1) release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov't Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must explain how and why the release of the information at issue would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706, 710 (Tex. 1977). You state the information pertaining to incident report number 201700066879 relates to a pending criminal investigation. Based on this representation and our review, we conclude the release of the information at issue would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177, 186-87 (Tex. Civ. App.—Houston [14th Dist.] 1975) (delineating law enforcement interests present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Thus, section 552.108(a)(1) is applicable to the information at issue.

However, section 552.108 does not except from disclosure “basic information about an arrested person, an arrest, or a crime.” Gov't Code § 552.108(c). Section 552.108(c) refers to the basic “front-page” information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-187; *see also* Open Records Decision No. 127 (1976) (summarizing types of

information considered to be basic information). Thus, with the exception of basic information for incident report number 201700066879 and the information subject to section 552.022(a)(3) of the Government Code, the department may withhold the remaining information under section 552.108(a)(1) of the Government Code.²

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See* Gov't Code § 552.130. Accordingly, the department must withhold the motor vehicle record information we have marked under section 552.130 of the Government Code.

In summary, with the exception of basic information for incident report number 201700066879 and the information subject to section 552.022(a)(3) of the Government Code, the department may withhold the remaining information under section 552.108(a)(1) of the Government Code. The department must withhold information we have marked under section 552.130 of the Government Code. The department must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. Erin Groff
Assistant Attorney General
Open Records Division

²As our ruling is dispositive, we need not address your remaining arguments against disclosure.
