

**KEN PAXTON**  
ATTORNEY GENERAL OF TEXAS

February 6, 2018

Mr. Tom Caldwell  
County Attorney  
Wilson County  
1420 Third Street, Suite 201  
Floresville, Texas 78114

OR2018-02693

Dear Mr. Caldwell:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 694627.

The Wilson County Attorney's Office (the "county attorney's office") received eleven requests from ten different requestors for information pertaining to a specified incident. The county attorney's office states it does not have information responsive to a portion of the request.<sup>1</sup> You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.<sup>2</sup>

---

<sup>1</sup>The Act does not require a governmental body that receives a request for information to create information that did not exist when the request was received. *See Econ. Opportunities Dev. Corp. v. Bustamante*, 562 S.W.2d 266 (Tex. Civ. App.—San Antonio 1978, writ dismissed); Open Records Decision Nos. 605 at 2 (1992), 563 at 8 (1990), 555 at 1-2 (1990), 452 at 3 (1986), 362 at 2 (1983).

<sup>2</sup>We assume that the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

Initially, we note the submitted information includes a police officer's body worn camera recordings. Body worn cameras are subject to chapter 1701 of the Occupations Code. Chapter 1701 provides the procedures a requestor must follow when seeking a body worn camera recording. Section 1701.661(a) provides:

A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

- (1) the date and approximate time of the recording;
- (2) the specific location where the recording occurred; and
- (3) the name of one or more persons known to be a subject of the recording.

Occ. Code § 1701.661(a). In this instance, the requestors do not give the requisite information under section 1701.661(a). As the requestors did not properly request the body worn camera recordings at issue pursuant to chapter 1701, our ruling does not reach this information and it need not be released. However, pursuant to section 1701.661(b), a "failure to provide all the information required by Subsection (a) to be part of a request for recorded information does not preclude the requestor from making a future request for the same recorded information." *Id.* § 1701.661(b).

Section 552.108(a)(1) of the Government Code exempts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime [if] release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). Section 552.108 may be invoked by the proper custodian of information relating to a pending investigation or prosecution of criminal conduct. *See Open Records Decision No. 474 at 4-5 (1987)*. Where a governmental body has custody of information relating to a pending case of another law enforcement agency, the custodian of the records may withhold the information if it provides this office with a demonstration that the information relates to the pending case and a representation from the law enforcement agency that it wishes to have the information withheld. You state, and provide documentation demonstrating, the Texas Rangers object to release of the submitted information because release would interfere with a pending criminal investigation. Based on this representation, we conclude that section 552.108(a)(1) is applicable in this instance. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976).

However, we note section 552.108 does not except from disclosure “basic information about an arrested person, an arrest, or a crime.” Gov’t Code § 552.108(c). Section 552.108(c) refers to the basic information held to be public in *Houston Chronicle*. See 531 S.W.2d at 186-187; see also Open Records Decision No. 127 (1976) (summarizing types of information considered to be basic information). Accordingly, with the exception of the basic information, the county attorney’s office may withhold the remaining information under section 552.108(a)(1) of the Government Code on behalf of the Texas Rangers.

In summary, as the requestors did not properly request the body worn camera recordings at issue pursuant to chapter 1701, our ruling does not reach this information and it need not be released. With the exception of the basic information, which must be released, the county attorney’s office may withhold the remaining information under section 552.108(a)(1) of the Government Code on behalf of the Texas Rangers.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
