ATTORNEY GENERAL OF TEXAS

February 9, 2018

Mr. Cristian Rosas-Grillet
Assistant City Attorney
City of Laredo
P.O. Box 579
Laredo, Texas 78042-0579

OR2018-03057

Dear Mr. Rosas-Grillet:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 695455 (PIR# W008536-111617).

The City of Laredo (the "city") received a request for specified city plans for a specified location. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.¹

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information that is made confidential by other statutes. You raise section 552.101 in conjunction with section 418.181 of the Homeland Security Act (the "HSA"). Sections 418.176 through 418.182 were added to chapter 418 of the Government Code as part of the HSA. Section 418.181 provides:

Those documents or portions of documents in the possession of a governmental entity are confidential if they identify the technical details of particular vulnerabilities of critical infrastructure to an act of terrorism.

¹We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

Id. § 418.181. The fact that information may relate to a governmental body's security measures does not make the information per se confidential under the HSA. *See* Open Records Decision No. 649 at 3 (1996) (language of confidentiality provision controls scope of its protection). Furthermore, the mere recitation of a statute's key terms is not sufficient to demonstrate the applicability of the claimed provision. As with any exception to disclosure, a claim under section 418.181 must be accompanied by an adequate explanation of how the responsive records fall within the scope of the claimed provision. *See* Gov't Code § 552.301(e)(1)(A) (governmental body must explain how claimed exception to disclosure applies).

You seek to withhold the submitted information under section 418.181. You inform us the submitted information contains locations and technical details of the city's water and sewer lines. You contend, and we agree, the city's water supply and sanitary sewer systems are part of the city's critical infrastructure for purposes of section 418.181. *See generally id.* § 421.001 (2) (defining "critical infrastructure" to include "all public or private assets, systems, and functions vital to the security, governance, public health and safety, economy, or morale of the state or nation"). You state this information "could be used to identify the technical details of particular vulnerabilities of the city's water system to an act of terrorism." Based on your representations and our review of the information at issue, we find you have demonstrated the applicability of section 418.181 to the submitted information. Thus, the city must withhold the submitted information section 552.101 of the Government Code on the basis of section 418.181 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.texasattorneygeneral.gov/open/orl_ruling_info.shtml, or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839. Sincerely,

Ashley Crutchfield
