ATTORNEY GENERAL OF TEXAS

February 12, 2018

Mr. Carlos G. Madrid
Assistant County Attorney
County of El Paso
500 East San Antonio, Room 503
El Paso, Texas 79901

OR2018-03233

Dear Mr. Madrid:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 698243 (File No. 0065-18-PI).

The El Paso County Sheriff's Office (the "sheriff's office") received a request for information related to a specified incident. You state you have released some information. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note the submitted information includes the breath test results of an individual's blood alcohol content. Full information concerning the analysis of the specimen must be made available upon the request of the person who has given the specimen at the request of a peace officer. *See* Transp. Code § 724.018. Here, the requestor is the individual who submitted the specimen. You seek to withhold this information under section 552.108 of the Government Code. However, we note a statutory right of access generally prevails over the exceptions to public disclosure under the Act. *See, e.g.,* Open Records Decision Nos. 613 at 4 (1993) (exceptions in Act cannot impinge on statutory right of access to

information), 451 (1986) (specific statutory right of access provisions overcome general exception to disclosure under the Act). Thus, the sheriff's office must release the information we marked to this requestor pursuant to section 724.018 of the Transportation Code.

Section 552.108(a)(1) of the Government Code excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov’t Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state, and provide an affidavit stating, the remaining information relates to a pending prosecution. Based on these representations, we conclude the release of the remaining information would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177, 184–85 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref’d n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Thus, section 552.108(a)(1) is applicable to the remaining information.

However, section 552.108 does not except from disclosure “basic information about an arrested person, an arrest, or a crime.” Gov’t Code § 552.108(c). Section 552.108(c) refers to the basic “front-page” information held to be public in *Houston Chronicle*. *See* 531 S.W. 2d at 186–87; *see also* Open Records Decision No. 127 (1976) (summarizing types of information considered to be basic information). Accordingly, with the exception of basic information, the sheriff's office may withhold the remaining information under section 552.108(a)(1) of the Government Code.

In summary, the sheriff's office must release the information we marked pursuant to section 724.018 of the Transportation Code. With the exception of basic information, the sheriff's office may withhold the remaining information under section 552.108(a)(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
