

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

February 12, 2018

Ms. Amy L. Sims
Deputy City Attorney
City of Lubbock
P.O. Box 2000
Lubbock, Texas 79457

OR2018-03321

Dear Ms. Sims:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 701052.

The City of Lubbock (the "city") received a request for video and audio recordings pertaining to a specified report. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note some of the submitted information consists of an officer's body worn camera recording. Body worn cameras are subject to chapter 1701 of the Occupations Code. Chapter 1701 provides the procedures a requestor must follow when seeking a body worn camera recording. Section 1701.661(a) provides:

A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

- (1) the date and approximate time of the recording;
- (2) the specific location where the recording occurred; and
- (3) the name of one or more persons known to be a subject of the recording.

Occ. Code § 1701.661(a). In this instance, the requestor does not give the requisite information under section 1701.661(a). As the requestor did not properly request the body worn camera recording at issue pursuant to chapter 1701, our ruling does not reach this information and it need not be released.¹ However, pursuant to section 1701.661(b), a “failure to provide all the information required by Subsection (a) to be part of a request for recorded information does not preclude the requestor from making a future request for the same recorded information.” *Id.* § 1701.661(b).

Next, we note the submitted report is not responsive to the instant request because it does not consist of audio or video recordings. The city need not release nonresponsive information in response to this request, and this ruling will not address that information.

Section 552.108(a)(2) of the Government Code exempts from disclosure information concerning an investigation that concluded in a result other than conviction or deferred adjudication. Gov’t Code § 552.108(a)(2). A governmental body claiming section 552.108(a)(2) must demonstrate the requested information relates to a criminal investigation that has concluded in a final result other than a conviction or deferred adjudication. *See id.* § 552.301(e) (governmental body must provide comments explaining why exceptions raised should apply to information requested). The city states the responsive information relates to a concluded case that did not result in a conviction or deferred adjudication. Based on your representations and our review, we conclude the city may withhold the responsive information under section 552.108(a)(2) of the Government Code.

In summary, as the requestor did not properly request the body worn camera recording at issue pursuant to chapter 1701 of the Occupations Code, our ruling does not reach this information and it need not be released. The city may withhold the responsive information under section 552.108(a)(2) of the Government Code.

¹As we are able to make this determination, we need not address the argument against disclosure of this information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. Jennifer Copeland
