OR2018-03803A

Dear Ms. Johnson:

The North Texas Tollway Authority (the "authority") received a request for vehicle records pertaining to specified entry and exit toll locations during a specified time period. Your request was assigned ID# 696739. In response, this office issued Open Records Letter No. 2018-03803 (2018) on February 16, 2018. We have examined this ruling and determined that an error was made in its issuance. When this office determines that an error was made in the decision process under sections 552.301 and 552.306 of the Government Code, and that error resulted in an incorrect decision, we will correct the previously issued ruling. Consequently, this letter serves as a substitute for the decision issued on November 29, 2017. *See generally* Gov't Code § 552.011 (providing that Office of Attorney General may issue decision to maintain uniformity in application, operation, and interpretation of the Act).

We note the request at issue was ruled on in Open Records Letter No. 2018-03430 (2018). Accordingly, the authority must follow Open Records Letter No. 2018-03430 when determining the proper disposition for the requested information. This office will consider this matter closed. If you have any questions with regard to this letter, please refer to ID# 696739.

Sincerely,

A handwritten signature in black ink, appearing to read "Gerald A. Arismendez".
