Mr. Ricardo Vela, Jr.
Assistant District Attorney
Dallas County District Attorney's Office
133 North Riverfront Boulevard, LB-19
Dallas, Texas 75207-4399

OR2018-03883

Dear Mr. Vela:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 696276.

The Dallas County District Attorney's Office (the "district attorney's office") received a request for all information involving all Dallas Independent School District (the "district") employees and three specified terms, including seven named individuals and all employees of the district's Office of Professional Responsibility, pertaining to a specified complaint during a specified time period.¹ You state you do not possess some of the requested information.² You claim the submitted information is excepted from disclosure under sections 552.101, 552.107, 552.108, and 552.130 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

¹We note the district attorney's office sought and received clarification of the information requested. See Gov't Code § 552.222 (providing if request for information is unclear, governmental body may ask requestor to clarify request); see also *City of Dallas v. Abbott*, 304 S.W.3d 380, 387 (Tex. 2010) (holding when governmental entity, acting in good faith, requests clarification of unclear or overbroad request for public information, ten-business-day period to request attorney general opinion is measured from date request is clarified or narrowed).

²The Act does not require a governmental body that receives a request for information to create information that did not exist when the request was received. See *Econ. Opportunities Dev. Corp. v. Bustamante*, 562 S.W.2d 266 (Tex. Civ. App.—San Antonio 1978, writ dismissed); Open Records Decision Nos. 605 at 2 (1992), 563 at 8 (1990), 555 at 1-2 (1990), 452 at 3 (1986), 362 at 2 (1983).

Section 552.108(a)(2) of the Government Code excepts from disclosure information concerning an investigation that concluded in a result other than conviction or deferred adjudication. Gov't Code § 552.108(a)(2). A governmental body claiming section 552.108(a)(2) must demonstrate the requested information relates to a criminal investigation that has concluded in a final result other than a conviction or deferred adjudication. *See id.* § 552.301(e)(1)(A) (governmental body must provide comments explaining why exceptions raised should apply to information requested). The district attorney's office asserts the information pertains to a case that concluded in a result other than conviction or deferred adjudication. Therefore, we agree section 552.108(a)(2) is applicable to the submitted information.

However, we note section 552.108 does not except from disclosure basic information about an arrested person, an arrest, or a crime. *Id.* § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle Publishing Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). *See* Open Records Decision No. 127 (1976) (summarizing types of information considered to be basic information). Thus, with the exception of the basic information, the district attorney's office may withhold the submitted information under section 552.108(a)(2) of the Government Code.³

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

³As our ruling is dispositive, we need not address your remaining arguments against disclosure.
